Instruments

This survey was made with a survey
 level mounted on a tripod. The angles
 were deflected from the true meridian
 as determined by solar observations.

The distances were measured with
 a 100 foot steel tape.

Note John Collins who appears
 as a tenant of the Holmes and Gordon
 lodge holds no interest in this

group having disposed of the same
several years ago.

AMENDED LOCATION NOTICE.

NOTICE IS HEREBY GIVEN that I, Susan F. Bradley, of Redlands, San Bernardino County, California, do hereby make and file with my Amended Certificate of Location upon the Innes Mining Claim originally located by Murray Innes and John Collins January 1st, 1898, the original certificate of location whereof is of record in Book 6 at page 381, Records of Mines of Gila County, Arizona Territory.

Said claim is 1500 feet in length and we claim 300 feet on each side of the centre of discovery shaft for full length of claim. The general course of this lode, deposit or premises is easterly and westerly, being North 74°-45' East. This claim is situate in Globe Mining District, Gila County, Arizona Territory about 7 miles in a northwesterly direction from the Town of Globe, and one-half mile south of Gold Hill and is the northwest extension of of the New Year Mine and adjoins the north side line of the Coronado Mining Claim.

This claim is bounded and marked as follows, to wit:- Beginning at the southwest corner and post or monument, being about 670 feet westerly from the centre of discovery shaft upon which the notice is posted: thence 300 feet north 16°-16' west to a post or monument, thence 750 feet North 74°-45' east to a post or monument, being the centre of the northerly side line of claim, thence 750 feet in same course to a post or monument, thence 300 feet South 16°-16' east to a post or monument, being the centre and post or monument of the easterly end of claim and about 830 feet North 74°-45' east of the centre of discovery shaft, thence 300 feet south 16°-16' east to a post or monument, thence 750 feet south 74°-45' west to a post or monument, being the centre of the southerly side line of claim, thence 750 feet in same course to a post or monument, thence NK 300 feet north 16°-16' west to the point of beginning.

Done under and by virtue of the laws of the United States and the laws of the Territory of Arizona.

This amended certificate is filed without waiver of any previous rights, for the purpose of correcting and making more specific the boundaries and description of said lode as originally located upon the ground.

Dated this 18th day of February, 1902.

Dear Mr. ...
I have received your letter of the 10th and am glad to hear from you. I am well and hope these few lines will find you the same. I have not much news to write at present. I am still in the city and will be here for some time longer. I have not yet decided on my plans for the future. I am still undecided as to whether I should go to Europe or stay here. I have not yet received any news from you since we last parted. I hope you are all well and happy. I have not much news to write at present.
