## United States Location Monument No. 1.

In my survey for the Petaskey Mining Company of the Upright, Paupers Dream, Arizona Jim, Mugwamp and Millsite lodes Survey No. 1655. Warm Springs Mining District, Coconino County, Arizona Territory, I find that there are no corners of the Public Lands Survey within 2 miles, and no U. S. Location Monument heretofore established in said district. I proceed to establish U. S. L. M. No.1 as follows:

On the top of a prominent point that can be seen from all directions, and about <sup>the center of</sup> the mineral belt embraced in the claims now located. I set a hewed pine post 8 ft. long, and 8 ins. square, set 3 ft. in the ground, marked U. S. L. M. No. 1. and protected by a mound of stone and earth 6 ft. base and 3 ft. high, the center point being marked by a nail in the top of said post. whence

A pine tree 12 ins. in diam. bears N.1° 05E.18ft. and A pine tree 12 ins. in diam. bears S.58° 30 W. 18 ft. each blazed and scribed U. S. L. M. No.1.B.T.

The latitude was determined by an observation on the sun at 11hr. 59 m. A. M. 1. m. t. April 22, 1902. I set off 12° 05 N. on the decl. arc. and observe the sun on the meridian, the resulting latitude is 36° 44 N.
