FINAL OATH OF U. S. DEPUTY MINERAL SURVEYOR

I, J. J. Fisher, U. S. Deputy Mineral Surveyor, do solemnly swear that, in pursuance of instructions received from the United States Surveyor General for Arizona, dated July 16th 1902, I have, in strict conformity to the laws of the United States, the official regulations and instructions thereunder, and the instructions of said Surveyor General, faithfully and correctly executed the survey of the Mining Claim of John S. Reilly, M. J. Hickey & W. A. Roor, known as the Agurite, New Era, Davis No. 1, North, New Era No. 2. & Six Wot Mile Site, situate in Maricopa Mining District, Yavapai County, Arizona in Section _____ Township No. _____ Range No. _____ and designated as Survey No. 1691, as represented in the foregoing field notes, which accurately show the boundaries of said mining claim as distinctly marked by monuments on the ground, and described in the attached copy of the location certificate, which was received by me from the Surveyor General with said instructions, and that all the corners of said survey have been established and perpetuated in strict accordance with the law, official regulations and instructions thereunder; and I do further solemnly swear that the foregoing are the true and original field notes of said survey and my report therein, and that the labor expended and improvements made upon said mining claim by claimant or their grantors are as therein fully stated, and that the character, extent, location and itemized value thereof are specified therein with particularity and full detail, and that no portion of said labor or improvements so credited to this claim has been included in the estimate of expenditures upon any other claim.

J. J. Fisher
U. S. Deputy Mineral Surveyor.

"DAVIS NUMBER ONE NORTH"

NOTICE OF LOCATION.

KNOW ALL MEN BY THESE PRESENTS: That I, the undersigned have this day located Ten hundred and twenty linear feet of this vein or lode bearing precious metals, with all dips, spurs, angles and variations, with surface ground Three hundred (500) feet on each side of the centre of vein, with all mineral deposits contained therein, and all timber growing within the limits of said claim, and all water and water privileges thereon or appurtenant thereto, under and according to the provisions of the United States Mining Laws, under which it is located.

This claim commences at this Monument and Notice placed upon the ledge and runs Fifteen Hundred (1020) feet in a Northerly direction along the ledge.

The exterior boundaries are as follows, viz: Commencing at this Monument and Notice and running Three Hundred (500) feet in an easterly direction to Monument at S. E. corner of claim; thence in a northerly direction parallel with the ledge Fifteen Hundred (1500) feet to monument at N. E. corner of claim; thence in a westerly direction at right angles across the ledge Six hundred (600) feet to monument at N. W. corner of claim; thence parallel with the ledge in a southerly direction Fifteen hundred (1500) feet to monument at the S. W. corner of claim; thence at right angles across the ledge in an easterly direction Three hundred (300) feet to monument upon the ledge and place of beginning.

This ledge may be more generally described as situated on the Davis lode or vein beginning at the Northern end of the original claims on said vein and extending to the southern end of what is known as the Cook location on the same vein. This is a relocation of the ground described, the previous owners having neglected to perform the work required by law.

This claim is in Hassayampa Mining District Yavapai County Arizona Territory, and shall be known as the Davis Number One North Mining Claim.

Dated on the ground this fifteenth day of December 1879.
