Mineral Survey No. 1755

Lot No. _____

Gila Land District.

FIELD NOTES

OF THE SURVEY OF THE MINING CLAIM OF

O. C. Mc Coy

Willard Goodrich

KNOWN AS THE

White Quartz: Drying Pan n° 1, Coffee Pat n° 1
Coffee Pat n° 2, Drying Pan n° 2 - White Quartz n° 2
Warren Mining District,

Cochise County, Arizona

Section 20 + 21 Township 23 S, Range 25 E. 9 + S. R. B + M.

Surveyed under instructions dated Jan 23d, 1903

by Geo. C. Clark
U. S. Deputy Mineral Surveyor.

Claim located see location notices, 1

Survey commenced January 28th, 1903

Survey completed Feb 2nd, 1903

Claimants Address: Bisbee, Cochise County Arizona

PRELIMINARY OATHS OF ASSISTANTS IN SURVEY OF MINING CLAIM.

We, H. L. Hannah and B. D. Norton,
do solemnly swear that we will well and faithfully execute the duties of chain carriers;
that we will level the chain upon even and uneven ground and plumb the tally-pins,
either by sticking or dropping the same; that we will report the true distance to all
notable objects, and the true length of all lines that we assist in measuring, to the best
of our skill and ability, and in accordance with instructions given us, in the survey of
the Mining Claim of C. C. McCoy + Willard Goodrich
White Quartz, m^o 2, Copper Pat. m^o 1, Copper Pat. m^o 2, Jumping Pan m^o 2, Jumping Pan m^o 1,
situate in Warren mining district,
Cochise County, Arizona,
in Section 20-21, Township No. 23 S., Range No. 25 E.

B. D. Norton, Chainman.
H. L. Hannah, Chainman.

Subscribed and sworn to by the above-named persons before
me this 3^d day of February, 1903

[Signature]

(4-686.)

FINAL OATH OF U. S. DEPUTY MINERAL SURVEYOR

I, Geo. C. Clark, U. S. Deputy Mineral Surveyor, do solemnly swear that, in pursuance of instructions received from the United States Surveyor General for Arizona, dated

January 28th 1903, I have, in strict conformity to the laws of the United States, the official regulations and instructions thereunder, and the instructions of said Surveyor General, faithfully and correctly executed the survey of the Mining Claim of C. C. McCoy + Willard Goodrich

known as the White Quartz; White Quartz No 2, Dryng Pan No 1, Dryng Pan No 2, Coffee Pot No 1, Coffee Pot No 2 situate in Warren Mining District,

County, _____, in Section 20+21, Township No. 23S, Range No. 25E and designated as Survey No. 1755

as represented in the foregoing field notes, which accurately show the boundaries of said mining claim as distinctly marked by monuments on the ground, and described in the attached copy of the location certificate, which was received by me from the Surveyor General with said instructions, and that all the corners of said survey have been established and perpetuated in strict accordance with the law, official regulations and instructions thereunder; and I do further solemnly swear that the foregoing are the true and original field notes of said survey and my report therein, and that the labor expended and improvements made upon said mining claim by claimant or their grantors are as therein fully stated, and that the character, extent, location and itemized value thereof are specified therein with particularity and full detail, and that no portion of said labor or improvements so credited to this claim has been included in the estimate of expenditures upon any other claim.

Geo. C. Clark
U. S. Deputy Mineral Surveyor.

Subscribed and sworn to by the said Geo. C. Clark
U. S. Deputy Mineral Surveyor, before me _____

MY COMMISSION EXPIRES MAY 22 1904

Notice of Location.

Notice is Hereby Given, That the White Quartz Lode Mining Claim has been located by W. Goodrich on the 23rd day of September 1902.

Said claim is fifteen hundred (1500) feet in length, and six hundred (600) feet wide; that is three hundred (300) feet wide on each side of the point of Discovery.

And the Westerly Center end Monument of the claim is distant in a westerly direction two hundred and fifty (250) feet from the point of Discovery, A monument of stones three feet high

on which this notice is posted, and the opposite Center end Monument, A monument of stones three feet high is distant twelve hundred and fifty (1250) feet in easterly direction from said point of Discovery.

And the general course of the claim is easterly and westerly.

This claim is situate in the Warren Mining District, Cochise County, Territory of Arizona.

And the northerly side line of Frying Pan No. 1 is the south side line of this claim.

This is an amended location of the White Quartz mining claim, the original location notice of which is recorded in Book 22, at page 348, Record of Mines of Cochise County, Arizona, and is made to correct errors in said original location notice.

Posted on the Ground, this 4 day of January 1903.

# Surveyor General's Certificate of Approval of Field Notes and Survey of Mining Claim.

Department of the Interior,

Office of U. S. Surveyor General,

Phoenix, Arizona,

*February 21-1903, 18*

I, U. S. Surveyor General for District of Arizona, do hereby certify that the foregoing and hereto attached Field Notes and Return of the Survey of the Mining Claim of C. C. McCoy and Willard Goodrich, known as White Quartz, Frying Pan No. 1, Frying Pan No. 2, Coffee Pot No. 1, Coffee Pot No. 2, & White Quartz No. 2 lodes, ~~XXXXXX~~

situate in Warren mining district, Cochise County, Arizona Territory,

in Sections 20 & 21, Township No. 23 S., Range No. 25 E., G. & S. R. B. & M. designated as Survey No. 1 7 5 5 .

executed by George C. Clark, U. S. Deputy Mineral Surveyor, January 28, to February 2nd, 181903, under my instructions dated January 23rd, 1903, ~~18~~ , have been critically examined and the necessary corrections and explanations made, and the said Field Notes and Return, and the Survey they describe, are hereby approved. A true copy of the copy of the location certificate filed by the applicants for survey is included in the field notes.

U. S. Surveyor General for (Arizona).

(4-691.)

# Certificate of U. S. Surveyor General

AS TO

EXPENDITURES REPORTED AFTER RETURN OF SURVEY OF MINING CLAIM.

I, U. S. Surveyor General for..... Arizona.....  
do hereby certify that Five Hundred Dollars' worth of labor has been expended or  
or for each of  
improvements made by claimant or their grantors, upon the mining claims of  
..... C. C. McCoy and Willard Goodrich.....

.....  
White Quartz, White Quartz No. 2, Frying Pan No. 1,  
known as the Frying Pan No. 2, Coffee Pot No. 1 & Coffee Pot No. 2,  
situate in..... Warren..... mining district,  
..... Cochise..... County,..... Arizona.....  
in Section 20 & 21, Township No. 23 S., Range No. 25 E.;  
that said improvements consist of twelve shafts and one drift, the  
value of which is \$3110.00

....., and that no portion of said labor or improvements has been  
included in the estimate of expenditures upon any other claim. A copy of the report of  
..... Geo. C. Clark....., U. S. Deputy Mineral Surveyor, dated  
May 6, 1903....., is hereto attached.

U. S. Surveyor General for..... Arizona.....

Office of U. S. Surveyor General,

# Report of Expenditures upon Mining Claim, filed by U. S. Deputy Mineral Surveyor after return of Survey.

I, Geo. C. Clark, U. S. Deputy Mineral Surveyor, do solemnly swear that in pursuance of instructions received from the United States Surveyor General for Arizona, dated January 23 1903, 18 , I have made a personal and thorough examination upon the premises, to ascertain the value of the labor expended and improvements made by claimants or their grantors upon the mining claim of

Willard Goodrich & C.C. McCoy

White Quartz, White Quartz No2

, known as the Frying Pan No. 1, Frying Pan No. 2

Coffe Pot No. 1 & Coffee Pot No2

, situate in

Warren mining district, Cochise

County, Arizona, in Sections 20 & 21, Township No.

23 S, Range No 25 E G & S. R. B & M., surveyed by me

February 3d. 1903, 18 , and designated as Survey No. 1755;

that the value of the labor so expended and improvements so made are as fully stated in my report of said examination, hereto attached; that the character, extent, location and itemized value of said improvements are specified therein with particularity and full detail, and that no portion of said labor or improvements, so credited to this claim has been included in the estimate of expenditures upon any other claim.

*Geo. C. Clark*

U. S. Deputy Mineral Surveyor.

Subscribed and sworn to by the said Geo. C. Clark
