FINAL OATH OF U. S. DEPUTY MINERAL SURVEYOR

I, William H. Merritt, U. S. Deputy Mineral Surveyor, do solemnly swear that, in pursuance of instructions received from the United States Surveyor General for Arizona, dated March 13th 1903, I have, in strict conformity to the laws of the United States, the official regulations and instructions thereunder, and the instructions of said Surveyor General, faithfully and correctly executed the survey of the Mining Claim of Burlington Gold Mining Co, known as the India Snow Storm, Republic N. 1, Republic N. 2 & Bessie No. 11 situate in Big Bug Mining District, Yavapai County, Arizona, in Section 36, Township No. 13 N, Range No. 1 W and designated as Survey No. 1772, as represented in the foregoing field notes, which accurately show the boundaries of said mining claim as distinctly marked by monuments on the ground, and described in the attached copy of the location certificate, which was received by me from the Surveyor General with said instructions, and that all the corners of said survey have been established and perpetuated in strict accordance with the law, official regulations and instructions thereunder; and I do further solemnly swear that the foregoing are the true and original field notes of said survey and my report therein, and that the labor expended and improvements made upon said mining claim by claimant or ~~the~~ ^{the} grantors are as therein fully stated, and that the character, extent, location and itemized value thereof are specified therein with particularity and full detail, and that no portion of said labor or improvements so credited to this claim has been included in the estimate of expenditures upon any other claim.

William H. Merritt
U. S. Deputy Mineral Surveyor.

Subscribed and sworn to by the said William H. Merritt

U. S. Deputy Mineral Surveyor, before me a Notary Public in and for Yavapai County, Ariz. Territory this 23rd day of March 1903.

Ziba O. Brown

"SNOW STORM"

R.S.

NOTICE OF LOCATION.

KNOW ALL MEN BY THESE PRESENTS:

That I the undersigned, have this day Located Fifteen Hundred (1,500) linear feet of this vein or lode, bearing precious metals, with all dips, spurs, angles and variations, with surface ground Three Hundred (300) feet on each side of the center of vein, with all Mineral Deposits contained therein, and all Timber growing within the limits of said claim, and all Water and Water privileges thereon or appurtenant thereto, under and according to the provisions of the United States Mining Laws, under which it is Located.

This claim commences at this Monument and Notice placed upon the ledge, and runs 1000 feet in a Northerly direction and 500 feet in a Southerly direction along the ledge, from discovery shaft.

The Exterior boundaries are as follows, viz:

Commencing at a Monument of Stone on West boundary line, distant Three Hundred (300) feet in a Westerly direction from Discovery Monument; thence in a Northerly direction parallel with the ledge 1000 feet to Monument of Stone at N. W. corner of claim; thence in a Easterly direction at right angles across the ledge Six Hundred (600) feet to Monument of Stone at N. E. corner of claim; thence in a Southerly direction parallel with the ledge Fifteen Hundred (1,500) feet to Monument of Stone at S. E. corner of claim; thence at right angles across the ledge in a Westerly direction Six Hundred (600) feet to Monument of Stone at S. W. corner of claim; thence in a Northerly direction parallel with the ledge 1000 feet to Monument on West boundary and place of beginning.

This ledge may be more generally described as situated (In Eugene Gluch and lyes about 1500 feet in a Easterly course from Jim Burkes mines, and about 3-4 of a mile from the patented mine called Eugenie in a westerly course, and joins on to the mining claim called the Republic #2 of which it is a party of the Groupe the work has been done in a tunnel, in Big Bug Mining District, Yavapai County, Arizona Territory, and shall be known as the SNOW STORM Mining Claim.

Dated on the ground this Feb. 1st. day of Feb. 1899.

FARLEY, County Recorder in and for the County of Yavapai, in the Territory of Arizona, and Custodian of the Records thereof, do hereby certify that I have compared the above and foregoing with, and the same is a full, true and correct copy of notice of location of "BESSIE #1" Mining Claim, as the same appears of record in my office in Book 47 of Mines, page 189, Records of Yavapai County, Arizona.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my Official Seal, this 10th day of March, A. D. 1903.

P. J. Farley
County Recorder.

M.P.

"REPUBLIC #2"

NOTICE OF LOCATION.

KNOW ALL MEN BY THESE PRESENTS:

That I the undersigned, have this day Located Fifteen Hundred (1,500) linear feet of this vein or lode, bearing precious metals, with all dips, spurs, angles and variations, with surface ground Three Hundred (300) feet on each side of the center of vein, with all Mineral Deposits contained therein, and all Timber growing within the limits of said claim, and all Water and Water Privileges thereon or appurtenant thereto, under and according to the provisions of the Mining Laws of the United States, under which it is Located.

This claim commences at this Monument and Notice placed upon the ledge, and runs Fifteen Hundred (1,500) feet in a Southerly direction along the ledge from discovery shaft.

The Exterior boundaries are as follows, viz:

Commencing at this Monument and Notice, and running Three Hundred (300) feet in an Easterly direction to monument of stone at N. E. corner of claim; thence in a Southerly direction parallel with the ledge Fifteen Hundred (1,500) feet to monument at S. E. corner of claim; thence at right angles across the ledge in a Westerly direction Six Hundred (600) feet to monument at S. W. corner of claim; thence parallel with the lode in a Northerly direction Fifteen Hundred (1,500) feet to monument at N. W. corner of claim; thence at right angles across the ledge in an Easterly direction Three Hundred (300) feet to monument upon the ledge and place of beginning.

This ledge may be more generally described as situated the first South Ext. of the Republic #1 Mine. The 10 foot hole is about 300 feet from notice or location mountment, and shall be known as Republic #3, and is the Second Mine of the groupe of five mines, in Big Bug Mining District, Yavapai County, Arizona Territory, and shall be known as the REPUBLIC #3 Mining Claim.

Dated on the ground, this 1st day of Feb. 1899.

Witness: G.A.Anderson. H. Bevering.

Recorded at request of Henry Bevering, April 20, A. D. 1899, at 9 o'clock A. M., in Book 47 of Mines, page 30, Records of Yavapai County, Arizona.
