## Locations

The Pikes Peak, Mountain View, Bohner and Annex Lode Claims are situated in Section 31-T7 N. R. 1 W., T. 6 and S. R. B. and M., the west half of which <sup>township</sup> is not subdivided.

The Mountain View millsite, Pikes Peak millsite and greater part of Ohio Lode are in section 6. T. 6 N. R. 1 W., not subdivided.

The Annex Millsite is partly in S. E. 1/4 Sec. 33-T. 7 N. R. 1 W. and partly in N. E. 1/4 Sec. 4. T. 6 N. R. 1 W.

The claims are therefore all on unsurveyed land.  
Surface.

The surface embraced in lode claims rises rapidly to North East and South West from Gorfias Wash, the veins dip about 70° to east. The main shafts, and hoists on the Pikes Peak and Ohio Lodes are placed at most advantageous points for opening up the lode and extracting the ores.

The Pikes Peak and Mountain View millsites are in level flat.

Survey, No. 1809-A.

## Palavis.

From Ephemeris. Eastern Elevation of Palavis occurs at 2<sup>h</sup> 55.3<sup>m</sup> A.M. June 1st for 40° N. lat. and 90° W. long. decreasing daily 3.92<sup>m</sup>.

Corrected for lat. and long. for June 4th gives 2<sup>h</sup> 40.5<sup>m</sup> A.M. at which time I observed

Palavis and set off the Azimuth 102° 06' to West for 34° N. lat. and established a true meridian, with which I connected the lines of all the claims of this survey, to verify the courses.

The needle on this meridian gives a variation of 14° 30' E.

## Monuments.

The mounds of stone in this survey are 4 ft. diam. at base, 2 ft. hi. except when otherwise described, and are laid up with large stones in a permanent manner.

The exact corner point is marked with a nail driven in each post.

The disagreement between the field notes and the location certificate of the annex Mill site, in the length and course of lines is due to errors in the latter.

Cor. No. 1, of Pikes Peak and Mountain View mill-site was taken on the westerly side because the line to S. 1/4 Cor. Sec. 31. Would be measured over smooth ground, and more accurate than over the ground to eastward which is broken by canons. Though cor to Sec. 31-32 - is slightly nearer to east end of claim.

Most of the washes or ravines are without banks, therefore widths could not be given.

The delay in completing this survey has been caused by my illness.

It was impossible to bring Chas. Seales before a notary to make his final oath.

The Pikes Peak tract is joined on the east by the Pikes Peak No. 2.

The Mountain View tract is joined on the east by the Mountain View No. 2.

The Ohio tract is joined on the west by the Chicago, all owned by the same Claimants.

Merits:

AMENDED NOTICE OF MINING LOCATION.

LODE CLAIM.

31

KNOW ALL MEN BY THESE PRESENTS: That the undersigned, Pikes Peak Gold and Copper Mining Company, a corporation organized under the laws of the Territory of Arizona and having its principal office and place of transacting business at Phoenix, Maricopa County, Arizona, all of the incorporators, stockholders and officers of said corporation being citizens of the United States, does hereby make and file this Amended Notice of Location upon the "Mountain View" Mining Claim.

This mining claim, the name of which is the "Mountain View" Mining Claim, situate on lands belonging to the United States, was entered upon, located and claimed for the purpose of exploration and purchase by the said corporation. The said claim has a length of fifteen hundred (1500) feet, and the said corporation claims six hundred (600) feet along the ledge or vein in a Northerly direction and nine hundred (900) feet in a Southerly direction from the center of the Discovery Shaft, at which this notice is posted, lengthwise of the claim, together with three hundred (300) feet in width of the surface grounds on each side of the center of said ledge or vein. The general course of the lode deposit and premises is from the Northerly to the southerly.

The claim is situated and located in the Pikes Peak Mining District in Maricopa County, Arizona Territory, on the North-easterly side of Garfias Wash and about one-quarter of a mile therefrom, and about three and one-half (3 1/2) miles North-westerly of Baldy Mountain Spring and about one-half mile south-westerly from Pikes Peak mountain, and joins South end of "Pikes Peak" Mining Claim.

The surface boundaries are marked upon the ground as follows: Beginning at a monument of stone at a point in a Northerly direction six hundred (600) feet from the Discovery Shaft (at which this notice is posted) being in the center of the North end line of said claim; running thence Westerly three hundred (300) feet to a monument of stone, being the North-west corner of said claim; thence Southerly fifteen hundred (1500) feet parallel to the ledge or vein to a monument of stone, being the South-west corner of said claim; thence Easterly three hundred (300) feet to a monument of stone at the center of the South end line of said claim; thence Easterly three hundred (300) feet to a monument of stone, being at the South-east corner of said claim; thence Northerly fifteen hundred (1500) feet parallel to the ledge or vein to a monument of stone, being at the Northeast corner of said claim; thence Westerly three hundred (300) feet to the place of beginning.

This Amended Notice is made and filed without waiver of any previous rights for the purpose of correcting and making more specific the boundaries and description of said claim as originally located upon the ground on the 12th day of February, 1893, by J.K. Garty, A.D. McGinnis and J.W. McGinnis; and for the further purpose of describing the said claim as of this date being situate in the Pikes Peak Mining District whereas at the date of the said original location said claim was situate and described in said original location notice as being in the Agua Fria Mining District; the said Pikes Peak Mining District having been organized according to law on the 8th day of January, 1902, and record thereof filed in the offices of the respective County Records of Maricopa and Yavapai Counties in which Counties the said district is organized and situate; and this notice ~~is~~ is for the further purpose of correcting any error in prior location or record and to secure all of the benefits of the laws of the United States and of the Territory of Arizona now in force, the said original locators of said mining claim having heretofore by mesne conveyances conveyed said claim to this corporation.

All done under the Laws of the United States and of the Territory of Arizona.

## LODE CLAIM.

KNOW ALL MEN BY THESE PRESENTS: —

That the undersigned Pikes Peak Gold & Copper Mining Company, a corporation, organized under the laws of the Territory of Arizona and having its office and principal place of transacting business at Phoenix, Maricopa County, Arizona, all of its incorporators, stockholders and officers being citizens of the United States, does hereby make and file this Amended Notice of Location upon the "Bohner" Mining Claim.

This Mining Claim, the name of which is the "Bohner" Mining Claim, situate on land belonging to the United States, entered upon, located and claimed for the purpose of exploration and purchase by the said corporation. The said claim has a length of fifteen hundred (1500) feet and the said corporation claims eleven hundred (1100) feet along the ledge or vein in a Northerly direction and four hundred (400) feet in a Southerly direction from the center of the Discovery Shaft, at which this notice is posted, lengthwise of the claim, together with three hundred (300) feet in width of the surface grounds on each side of the center of said ledge or vein. The general course of the lode deposit and premises is from the northerly to the southerly.

The claim is situated and located in the Pikes Peak Mining District on North-easterly side of Garfias Wash in Maricopa County, Arizona Territory and about three-fourths ( $3/4$ ) miles South-westerly from Pikes Peak Mountain, joining West side of "Mountain View" Claim.

The surface boundaries are marked upon the ground as follows: Beginning eleven hundred (1100) feet in a northerly direction from the Discovery Shaft at a stone monument in the center of the North end line of said claim; thence easterly three hundred (300) feet to a monument of stone being the north-east corner of said claim; thence southerly and parallel with said lode, fifteen hundred (1500) feet to a monument of stone being the south-east corner of said claim; thence westerly three hundred (300) feet to a stone monument at the center of the south end line of said claim; thence Westerly three hundred (300) feet to a monument of stone being the South-west corner of said claim; thence Northerly fifteen hundred (1500) feet and parallel to said lode to a stone monument at the north-west corner of said claim; thence easterly three hundred (300) feet to the place of beginning.

This Amended Notice is made and filed without waiver of any previous rights for the purpose of correcting and making more specific the boundaries and description of said claim as originally re-located upon the ground by A.D. McGinnis, J.W. McGinnis and Frank Byler; as an abandoned ~~claim~~ mine on the 18th day of January, 1896; the said claim having formerly been known as the "Arizona" Mining Claim; and for the further purpose of describing the said claim as of this date being situate in the Pikes Peak Mining District, whereas the date of the said original relocation said claim was situate and described in said original relocation notice as being in the Agua Fria Mining District; the said Pikes Peak Mining District having been organized according to law on the 8th day of January, 1902, and record thereof filed in the offices of the respective County Recorders of Maricopa and Yavapai Counties in which Counties the said District is organized and situate; and this notice is for the further purpose of correcting any error in prior location or record and to secure all of the benefits of the laws of the United States and of the Territory of Arizona now in force. The said original relocators of said mining claim having heretofore by mesne conveyances conveyed said claim to this corporation.

All done under the laws of the United States and of the Territory of Arizona.

LODE CLAIM.

39

KNOW ALL MEN BY THESE PRESENTS:

That the undersigned, Pikes Peak Gold and Copper Mining Company, a corporation, organized under the laws of the Territory of Arizona and having its office and principal place of transacting business at Phoenix, Maricopa County, Arizona, all of the incorporators, stockholders and officers of said corporation being citizens of the United States, does hereby make and file this Amended Notice of Location upon the "Ohio" Mining Claim.

This mining claim, the name of which is the "Ohio" Mining Claim situate on lands belonging to the United States was entered upon, located and claimed for the purpose of exploration and purchase by said corporation. The said claim has a length of fifteen hundred (1500) feet and the said corporation claims lengthwise along the ledge or vein seven hundred and twenty (720) feet in a northerly direction and seven hundred and eighty (780) feet in a southerly direction from the center of the Discovery Shaft (at which this Notice is posted) together with three hundred (300) feet in width of the surface grounds on each side of the center of said ledge or vein. The general course of the lode deposit and premises is from the northerly to southerly.

The claim is situated and located in the Pikes Peak Mining District in Maricopa County, Arizona Territory, and about one mile in a South-west direction from Pikes Peak Mountain, said claim having its northerly boundary line coinciding for part of its length with the southerly boundary of the "Annex" Mining Claim.

The surface boundaries are marked upon the ground as follows:- Beginning at a stone monument at a point seven hundred and twenty (720) feet northerly from the Discovery Shaft (at which this notice is posted) being in the center of the North end line of said claim; running thence Easterly three hundred (300) feet to a stone monument, being the North-east corner of said claim; thence Southerly fifteen hundred (1500) feet parallel to said vein or lode to a stone monument, being the South-east corner of said claim; thence three hundred (300) feet westerly to a monument of stone at the center of the South end line of said claim; thence Westerly three hundred (300) feet to a stone monument, being the South-west corner of said claim; thence northerly fifteen hundred (1500) feet parallel to said lode to a stone monument, being the North-west corner of said claim; thence Easterly three hundred (300) feet to the place of beginning.

This Amended Notice is made and filed without waiver of any previous rights for the purpose of correcting and making more specific the boundaries and descriptions of said claim as originally located upon the ground by A. D. McGinnis on the 18th day of January, 1896, the said McGinnis relocating the same as the "Ohio" Mining Claim and as having been abandoned and formerly known as the "Golden Starr" Mining Claim; and for the further purpose of describing the said claim as of this date being situate in the Pikes Peak Mining District, whereas at the date of the said original relocation, the said claim was situate and described as being in the "Agua Fria" Mining District; the said Pikes Peak Mining District having been organized according to law on the 8th day of January 1902 and a record thereof filed in the offices of the respective County Recorders of Maricopa and Yavapai Counties in which Counties the said District is organized and situate; and for the further purpose of correcting any error in prior location or relocation or record and to secure all of the benefits of the Laws of the United States and of the Territory of Arizona now in force; and said original locator, A. D. McGinnis, having heretofore by mesne conveyances conveyed said claim to this corporation.

All done under the laws of the United States and of the Territory of Arizona.

Dated on the ground this 27th day of May 1903.
