PAGE MINING CLAIM.

NOTICE OF LOCATION, QUARTZ CLAIM: To all whom it may concern: This mining claim the name of which is the Page mining claim, situated on lands belonging to the United States of America and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by Julius H. Volkert and John Francis, the undersigned, on the 6th day of January, 1899. The length of the claim is fifteen hundred feet and we claim one hundred and seventy five feet in a Westerly direction and 1325 feet in an Easterly direction, from the center of the discovery shaft in which this notice is posted lengthwise of the claim; together with 300 feet in width of the surface grounds on each side of the center of said claim. The general course of the lode deposit and premises is from the Westerly to the Easterly direction. This claim is situated and located in the Silver Bell Mining District, in Pima County, Arizona Territory, about 1-1/4 miles in a Southerly direction from Silver Bell Camp and store. The ~~surf~~ surface boundaries of the claim are marked upon the ground as follows: Beginning at Monument of stones and post at a point in a Southerly direction One hundred and seventy five feet from the discovery shaft (at which this notice is posted) being in the center of the Westerly end line of said claim; thence Northerly 300 feet to a monument of stones, being the Northwest corner of said claim; thence Easterly 750 feet to a monument of stones at the center of the North side line of said claim; thence Easterly 750 feet to a monument of stones, being at the North east corner of said claim; thence Southerly 300 feet to a monument of stones, at the center of the Easterly end of said claim; thence Southerly 300 feet to a monument of stones, being at the Southeast corner of said claim; thence Westerly 750 feet to a monument of stones, being at the center of the South side line of said claim; thence Westerly 750 feet to a monument of stones at the Southwest corner of said claim; thence Northerly 300 feet to the place of

beginning.

All done under the provisions of Chapter six of title XXXII of the Revised Statutes of the United States and of an Act concerning Mines approved March 20, 1895.

Dated and posted on the ground, this 6th day of January 1899.
