NOTICE OF MINING LOCATION.

TO ALL WHOM IT MAY CONCERN:

Notice is hereby given that the undersigned, having complied with all the requirements of Chapter XXXII, of Title 6, of the Revised Statutes of the United States, and the local mining laws, rules and regulations, has this day located fifteen hundred (1500) linear feet of this vein or lode; bearing precious metals, with all dips, spurs, angles and variations, with surface ground three hundred (300) feet on each side of the center of vein, with all mineral deposits contained therein; and all timber growing within the limits of said claim, and all water and water privileges thereon or appurtenant thereto, under and according to the provisions of the United States mining laws, under which it is located.

This claim commences at this monument and notice placed upon the ledge, and runs 10 feet in an easterly direction; and three hundred and sixty feet in a Westerly direction along the ledge. The exterior boundaries are as follows, to wit; commencing at a monument of stone at the center of the East end of claim; and running one hundred feet in a Northerly direction to a monument of stone at the North East corner of claim; thence in a Westerly direction parallel with the ledge four hundred feet to a monument of stone at the North West Corner of claim; thence at right angles across the ledge in a Southerly direction ten feet to a monument of stone at the South West Corner of claim; thence parallel with the ledge in an easterly direction four hundred feet to a monument of stone at the South East corner of claim; thence at right angles across the ledge in a Northerly direction One hundred feet to a monument upon the ledge and place of beginning.

This ledge may be more generally described as situated being and lying on the South side of the Ace of Spades (a patented claim) and near the East end. It is bounded on the South by the Ormand Mining Claim known in the U. S. Land Office as mineral entry No. 47, about 400 feet East of South Bisbee Switch, in Warren Mining District, Cochise County, Territory of Arizona, and shall be known as the Ione Mining Claim.

Dated on the ground; this 29th day of October, 1900.

Thomas Higgins

Locator.

And I hereby certify that a discovery shaft on the premises so claimed, has been sunk at my expense to a depth of ten (10) feet from the lowest part of the rim of such shaft, at the surface, showing a lode of deposit and mineral in place, and that the boundaries of said claim are designated and marked as in said notice mentioned.

In witness whereof I have hereunto set my hand this 29th day of January 1901.
