PRELIMINARY OATHS OF ASSISTANTS IN SURVEY OF MINING CLAIM.

We, Hugh Weerington and Edward Leppien

do solemnly swear that we will well and faithfully execute the duties of chain carriers; that we will level the chain upon even and uneven ground and plumb the tally-pins, either by sticking or dropping the same; that we will report the true distance to all notable objects, and the true length of all lines that we assist in measuring, to the best of our skill and ability, and in accordance with instructions given us, in the survey of the Mining Claim of L.C. Shattuck

known as the John Daisy
situate in Warren mining district
Cochise County, Arizona
in Section appas Township No. 22S, Range No. 24E Gans SRB & M

W.L. Millington, Chairman.
Edward Leppien, Chairman.

Subscribed and sworn to by the above-named persons before me this 12th day of June, 1904

C. E. Smith

No. 5	Shaft 6x8x40 ft. brs. from same point S. 26° 40' W. 134 ft., Value	500.00

Total Improvements on John Daisy lode \$2050.0

John Daisy (Con)

ADJOINING CLAIMS.

North	York State lode, Survey No.1622. Maurice Denn, owner,
East	Ophir lode, unsurveyed, J.M.Muheim, owner.
	Come by Chance lode, Survey No.1643, Junction Dev.Co.owner
	Erie Cattle Claim, Survey No.1464, same owner,
South	Julia lode, Survey No.1780, I. W. Wallace, owner,
West	Camberland lode, Survey No. 862, Copper Queen Con.Min.Co owner. Rio Tinto lode, unsurveyed, Seymour & Greer, owners.

LOCATION.

This claim is located about $1\frac{1}{2}$ mi. in an E. direction from the City of Bisbee, on unsurveyed lands in the Warren Mining District, Cochise County, Territory of Arizona, approximately in Tp. 23. S. R. 24 E. C & S. R B & N. *ms*

INSTRUMENT.

This survey was made with a Leitz Mountain and Mining transit. The courses were deflected from the true meridian as determined by solar observation, checked by an observation on Polaris. The distances were measured with a 300 foot steel tape.

Magnetic variation $12^{\circ} 30'$ E.

Geo. C. Clark

U.S. Deputy Mineral Surveyor.

Bisbee, Arizona,

July 9th 1904.

Note

Any discrepancies between the courses and distances of this survey and those of the adjoining approved surveys are due to errors in the latter.

FINAL OATHS FOR SURVEYS.

LIST OF NAMES.

A list of the names of the individuals employed by Geo. O'Leary
 United States Deputy Mineral Surveyor, to assist in running, measuring, and marking the lines
 corners and boundaries described in the foregoing field notes of the survey of the mining claim
 of L. C. Shattuck
 known as the John Daisy
 and showing the respective capacities in which they acted.

Hugh Millington, Chairman.
Edward Leppien, Chairman.
 _____, Axman.
 _____, Flagman.

FINAL OATHS OF ASSISTANTS.

We, Hugh Millington
 and Edward Leppien, do solemnly swear that we assisted _____
 _____, United States Deputy Mineral Surveyor, in marking the corners and
 surveying the boundaries of the mining claim of L. C. Shattuck

_____ known as the John Daisy, represented
 in the foregoing field notes as having been surveyed by said deputy mineral surveyor and under
 his direction; and that said survey has been in all respects, to the best of our knowledge and
 belief, faithfully and correctly executed, and the corner and boundary monuments established
 according to law and the instructions furnished by the United States Surveyor-General for
Arizona

 My Commission Expires March 21, 1908.

FINAL OATH OF U. S. DEPUTY MINERAL SURVEYOR

I, Geo O Clark, U. S. Deputy Mineral Surveyor, do solemnly swear that, in pursuance of instructions received from the United States Surveyor General for Arizona, dated January 4th, 1904, I have, in strict conformity to the laws of the United States, the official regulations and instructions thereunder, and the instructions of said Surveyor General, faithfully and correctly executed the survey of the Mining Claim of L. O. Shattuck, known as the John Darcy, situate in Warren Mining District, Cochise County, Arizona, in Section 33, Township No. 33, Range No. 24 E 3rd S R 34 W M 35 and designated as Survey No. 1901, as represented in the foregoing field notes, which accurately show the boundaries of said mining claim as distinctly marked by monuments on the ground, and described in the attached copy of the location certificate, which was received by me from the Surveyor General with said instructions, and that all the corners of said survey have been established and perpetuated in strict accordance with the law, official regulations and instructions thereunder; and I do further solemnly swear that the foregoing are the true and original field notes of said survey and my report therein, and that the labor expended and improvements made upon said mining claim by claimant or his grantors are as therein fully stated, and that the character, extent, location and itemized value thereof are specified therein with particularity and full detail, and that no portion of said labor or improvements so credited to this claim has been included in the estimate of expenditures upon any other claim.

Geo O Clark
U. S. Deputy Mineral Surveyor.

Subscribed and sworn to by the said Geo O Clark
U. S. Deputy Mineral Surveyor, before me

Commission Expires _____

Affidavit of Five Hundred Dollars Improvements.

We, Hugh Millington, and Edward Leppien

of lawful age, being first duly sworn according to law, depose and say: That we

are acquainted with the John Daisy mining claim,

situate in Warren Mining district, Cochise County,

Arizona Territory, for which L B Shattuck

has made application for survey prior to application for patent under the provisions

of the Act of Congress, approved May 10, 1872; and that the labor done and improve-

ments made thereon by the applicant and his grantor exceed Five Hundred

Dollars in value, and further that we are not personally interested in said mine.

NOTICE OF MINING LOCATION

11

Quartz Claim

TO ALL WHOM IT MAY CONCERN:

This mining claim, the name of which is the John Daisy Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by Michael O'Rielly, the undersigned on the 1st day of Sept. 1897. The length of this claim is 780 feet, and this is 150 feet in a Westerly direction and 630 feet in a easterly direction from the center of the discovery shaft; at which this notice is posted, lengthwise of the claim, together with 300 feet in width of the surface grounds on each side of the center of said claim.

The general course of the lode deposit and premises is from the West to the East. The claim is situated and located in Warren Mining District, Cochise County in the Territory of Arizona, about one mile in a easterly direction from the Town of Bisbee. The surface boundaries of the claim are marked upon the ground as follows; beginning at a Monument of stones at a point in a Westerly direction 150 feet from the discovery shaft (at which this notice is posted) being in the center of the West end line of said claim; thence 300 feet to a monument of stones, being the southwest corner of said claim; thence 390 feet to a monument of stones, at the center of the South side line of said claim; thence 390 feet to a monument of stones being at the South east corner of said claim; thence North 300 feet to a monument of stones at the center of the easterly end of said claim; thence North 300 feet to a monument of stones, being at the North east corner of said claim; thence West 390 feet to a monument of stones, being at the center of the North side line of said claim; thence West 390 feet to a monument of stones at the North West Corner of said claim; thence South 300 feet to the place of beginning.

All done under the provisions of Chapter Six of title XXXII of the Revised Statutes of the United States, and of an Act of the

General Assmibly of Arizona, entitled "An Act Concerning Mines"
Approved March 20th 1895.
