Notice of Mining Location.

Lode Claim.

To all whom it may concern; This Mining Claim, the name of which is the Willow Mining Claim, situate on lands belonging to the United States of America and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by Geo. J. Ross, a citizen of the United States, the undersigned, on the 11th day of September, 1902.

The length of this claim is fifteen hundred feet and I claim thirty feet in a westerly direction and 1470 feet in a easterly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with 300 feet in width of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the West to the East.

The claim is situated and located in the Verde Mining District in Yavapai County, in the Territory of Arizona, about one & one half miles in a easterly direction from Iron King Tunnel.

The surface boundaries of the claim are marked upon the ground as follows; Beginning at stone mon. being at the center of the west end line of the Willow M. Claim and at a point in a westerly direction 30 feet from the discovery shaft (at which this notice is posted), being in the center of the west end line of said claim; thence North 300 feet to a stone monument being the N.W. corner of said claim; thence East 750 feet to a stone mon. at the center of the North side line of said claim; thence East 750 feet to a stone mon. being at the N.E. corner of said claim; thence South 300 feet to a stone mon. at the center of the East end of said claim; thence South 300 feet to a stone monument being at the South East corner of said claim; thence West 750 feet to a stone mon. being at the center of the South side line of said claim; thence West 750 feet to a stone mon. at the S.W. corner of said claim; thence North 300 feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States and of an act of the General Assembly of Arizona, entitled "An Act Concerning Mines", approved March 20, 1895 and amended March 2d, 1899.

Dated and posted on the ground, this 11th day of September, 1902.

"Hillside".

Notice of Mining Location.

Lode Claim.

To all whom it may concern; This mining claim, the name of which is the Hillside Mining Claim, situate on lands belonging to the United States of America and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by Joseph L. Giroux, a citizen of the United States, the undersigned, on the 28th day of October, 1902.

The length of this claim is fifteen hundred feet and I claim seven hundred and fifty feet in a easterly direction and seven hundred and fifty feet in a westerly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with one hundred and fifty feet in width of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the East to the West.

The claim is situated and located in the Verde Mining District in Yavapai County, in the Territory of Arizona, about 3/4 of a mile in a South Easterly direction from the Iron King Tunnel.

The surface boundaries of the claim are marked upon the ground as follows; Beginning at a monument of stone at a point in a westerly direction seven hundred & 50 feet from the discovery shaft (at which this notice is posted), being in the center of the west end line of said claim; thence south 150 feet to a stone monument being the South West corner of said claim; thence East 750 feet to a stone monument at the center of the south side line of said claim; thence East 750 feet to a stone monument being at the South East corner of said claim; thence North 150 feet to a stone monument at the center of the East end of said claim; thence North 150 feet to a stone monument being at the North East corner of said claim; thence West 750 feet to a stone monument being at the center of the North side line of said claim; thence West 750 feet to a stone monument at the North West corner of said claim; thence South 150 feet to the place of beginning.

All done under the provisions of Chapter Six of Title XXXII of the Revised Statutes of the United States and of an Act of the General Assembly of Arizona, entitled "An Act Concerning Mines", approved March 20, 1895 and amended March 2d, 1899.

Dated and posted on the ground this 28th day of October, 1902.
