Notice of Location.

Know all men by these presents; That I, the undersigned, have this day located fifteen hundred (1500) linear feet of this vein or lode, bearing precious metals, with all dips, spurs, angles and variations, with surface ground three hundred (300) feet on each side of the centre of vein, with all mineral deposits contained therein, and all timber growing within the limits of said claim and all Water and Water Privileges thereon or appurtenant thereto, under and according to the provisions of the Mining Laws of the United States under which it is located.

This claim commences at this monument and notice placed upon the ledge and runs fifteen hundred (1500) feet in a northerly direction along the ledge.

The exterior boundaries are as follows, viz:- Commencing at this monument and notice and running three hundred (300) feet in an easterly direction to monument at S.E. corner of claim; thence in a northerly direction parallel with the ledge fifteen hundred (1500) feet to monument at N.E. corner of claim; thence in a westerly direction at right angles across the ledge six hundred (600) feet to monument at N.W. corner of claim; thence parallel with the lode in a southerly direction fifteen hundred (1500) feet to monument at S.W. corner of claim; thence at right angles across the ledge in an easterly direction three hundred (300) feet to monument upon the ledge and place of beginning.

This ledge may be more generally described as situated Pine Grove Mining District, about one mile north west from the Crowned King Quartz Mill and is bounded on the west by the east side line of the Buckeye mine, a patented property owned by the Moody & Place Milling and Mining Company and the east line of the Silver King Mine owned by the Crowned King Mining Company in Pine Grove Mining District, Yavapai County, Arizona Territory and shall be known as the Annexed Mining Claim.

Dated on the ground this second (2) day of August, 1890.
