MOUNTAIN VIEW MINING CLAIM.

Notice of Mining Location. Quartz Claim. TO ALL WHOM IT MAY CONCERN: This Mining Claim the name of which is the Mountain View Mining Claim situated on lands belonging to the United States of America and in which there are valuable mineral deposits was entered upon and located for the purpose of exploration and purchase by George Collins the undersigned on the 1st day of January, 1899. The length of the claim is 1500 feet and I claim 100 feet in a Northwesterly direction and 1400 feet in a Southeasterly direction from the center of the discovery shaft at which this notice is posted lengthwise of the claim, together with 300 feet in width of the surface grounds on each side of the center of said claim. The general course of the lode deposit and premises is from the Northwest to the Southeast. This claim is situated and located in the Silver Bell Mining District in Pima County in the Territory of Arizona and about 1 1/4 miles ~~an~~ in a Northeasterly direction from the Nielsen Smelter. It adjoins the Mammoth Copper Mine on the Northeast and parallel to same it is a relocation of an abandoned claim. The surface boundaries of the claim are marked upon the ground as follows: Beginning at a monument of stones in a Northwesterly direction 100 feet from the discovery shaft (at which this notice is posted) being in the center of the Northwest end line of said claim; thence Northeasterly 300 feet to a monument of stones being the North corner of said claim; thence S. E. 750 feet to a monument of stones at the center of the Northeast side line of said claim; thence S. E. 750 feet to a monument of stones being the East corner of said claim; thence S. W. 300 feet to a monument of stones at the center of the S. E. end of said claim; thence S. W. 300 feet to monument of stones being at the South corner of said claim; thence N. W. 750 feet to a monument of stones being at the center of the S. West side line of said claim; thence N. W. 750 feet to a

monument of stones at the West corner of said claim; thence N. E. 300 feet to the place of beginning.

All done under the provisions of Chapter Six of Title XXXII of the Revised Statutes of the United States and an Act of the General Assembly of Arizona, entitled An Act Concerning Mines, approved March 20" 1895. Dated and posted on the ground this 1st day of January 1899.
