Notice of Location.

Know all men by these presents: That I, the undersigned, have this day located fifteen hundred (1,500) linear feet of this vein or lode, bearing precious metals, with all dips, spurs, angles and variations, with surface ground three hundred (300) feet on each side of the center of vein, with all mineral deposits contained therein, and all timber growing within the limits of said claim, and all water and water privileges thereon or appurtenant thereto, under and according to the provisions of the United States Mining Laws, under which it is located.

This claim commences at this monument and notice placed upon the ledge and runs 750 feet in a northerly direction and 750 feet in a southerly direction along the ledge from discovery shaft.

The exterior boundaries are as follows, viz: Commencing at a monument of stone on west boundary line, distant three hundred (300) feet in a westerly direction from discovery monument; thence in a northerly direction parallel with the ledge 750 feet to monument of stone at N.W. corner of claim; thence in a easterly direction at right angles across the ledge six hundred (600) feet to monument of stone at N.E. corner of claim; thence in a southerly direction parallel with the ledge fifteen hundred (1500) feet to monument of stone at S.E. corner of claim; thence at right angles across the ledge in a westerly direction six hundred (600) feet to monument of stone at S.W. corner of claim; thence in a northerly direction parallel with the ledge 750 feet to monument on west boundary and place of beginning.

This ledge may be more generally described as situated in Hassayampa Mining District and runs parallel with and adjoins the Abbie Mine on the west side, about 1500 feet south east from Storm Cloud quartz mill. Jersey gulch is about 50 feet from north end.

The location work is done about 200 feet south from where this notice is posted, in Hassayampa Mining District, Yavapai County, Arizona Territory and shall be known as the Cracker Mining Claim.
