Mineral Survey No. 1957

Lot No.

Prescott

Land District.

FIELD NOTES

OF THE SURVEY OF THE MINING CLAIM OF

Uncle Sam Copper Company

KNOWN AS THE

St. Louis, St. Paul, Denis, Grand and
Yellow Jacket (Black Rock Mining District,
Yavapai County, Arizona

Section 4, Township 8 N, Range 3 W (unsurveyed)

Surveyed under instructions dated June 10th, 1904

by William H. Prescott

U. S. Deputy Mineral Surveyor.

Claim located See loc. notices, 1

Survey commenced June 29th, 1904

Survey completed July 2nd, 1904

PRELIMINARY OATHS OF ASSISTANTS IN SURVEY OF MINING CLAIM.

We, L. W. Crane and R. A. Merritt, do solemnly swear that we will well and faithfully execute the duties of chain carriers; that we will level the chain upon even and uneven ground and plumb the tally-pins, either by sticking or dropping the same; that we will report the true distance to all notable objects, and the true length of all lines that we assist in measuring, to the best of our skill and ability, and in accordance with instructions given us, in the survey of the Mining Claim of Uncle Sam ^{Copper} ~~Patent~~ Company

known as the St. Louis, St. Paul, ^{Denis} ~~Denver~~, Grand & ^{Yellow} ~~Yellow~~ Jacket situate in Black Rock mining district Yavapai County, Arizona, in Section ^{approx.} Township No. 8 N., Range No. 3 W (unsurveyed).

L. W. Crane, Chairman. R. A. Merritt, Chairman.

Subscribed and sworn to by the above-named persons before me this 29 day of June, 1904

My Commission Expires June 15th 1905 W. H. Merritt Notary Public

I, _____, do solemnly swear that I will well and truly perform the duties of axman, in the establishment of corners and other duties, according to instructions given me and to the best of my skill and ability, in the survey of the Mining Claim of

INSTRUMENT.

This survey was made with a Gurley Light Mountain Solar Transit. The courses were deflected from the true meridian as determined by direct solar observations. The distances were measured with 100-ft. and 500-ft. steel tapes.

Note. It is the intention of the owners to work the claims under one system. The veins are traceable on the surface.

FINAL OATH OF U. S. DEPUTY MINERAL SURVEYOR

I, William H Merritt, U. S. Deputy Mineral Surveyor, do solemnly swear that, in pursuance of instructions received from the United States Surveyor General for Arizona, dated June 10th 1904, I have, in strict conformity to the laws of the United States, the official regulations and instructions thereunder, and the instructions of said Surveyor General, faithfully and correctly executed the survey of the Mining Claim of Uncle Sam Copper Company, known as the St. Louis, St. Paul, ^{Denis} Grand & Yellow Jacket, situate in Black Rock Mining District, Yavapai County, Arizona, in Section approx, Township No. 8 N, Range No. 3 W (unsurveyed) and designated as Survey No. 1957, as represented in the foregoing field notes, which accurately show the boundaries of said mining claim as distinctly marked by monuments on the ground, and described in the attached copy of the location certificate, which was received by me from the Surveyor General with said instructions, and that all the corners of said survey have been established and perpetuated in strict accordance with the law, official regulations and instructions thereunder; and I do further solemnly swear that the foregoing are the true and original field notes of said survey and my report therein, and that the labor expended and improvements made upon said mining claim by claimant or their grantors are as therein fully stated, and that the character, extent, location and itemized value thereof are specified therein with particularity and full detail, and that no portion of said labor or improvements so credited to this claim has been included in the estimate of expenditures upon any other claim.

William H Merritt
U. S. Deputy Mineral Surveyor.

Subscribed and sworn to by the said William H Merritt
U. S. Deputy Mineral Surveyor, before me William A Kelly
Notary Public this 20th

Notice of Mining Location.

Lode Claim.

To all whom it may concern; This mining claim, the name of which is the Denis Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by Sam Franklin, a citizen of the United States, the undersigned, on the 1th first day of January, 1901.

The length of this claim is 1500 fifteen hundred feet, and I claim 400 four hundred feet in a southeasterly direction and 1100 eleven hundred feet in a northwesterly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with 300 three hundred feet in width of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the northwesterly to the southeasterly.

The claim is situated and located in the Bloo Tank Mining District, in Yavapai County, in the Territory of Arizona, about 2000 feet in a northeasterly direction from Gilbert and Rows Stor and is the N. extension of the 1900 mine it is an abandon property formerly non as the East End mine.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at monument of stone and post 4 feet high at a point in a southeasterly direction 400 feet from the discovery shaft (at which this notice is posted), being in the center of the southerly end line of said claim; thence northeasterly 300 feet to a monument and post being the N.E. corner of said claim; thence northwesterly 750 feet to a monument and post at the center of the northeasterly side line of said claim; thence northwesterly 750 feet to a monument and post being at the N.W. corner of said claim; thence southeasterly 300 feet to a monument and post at the center of the north end of said claim; thence southwesterly 300 feet to a monument and post, being at the S.W. corner of said claim; thence southeasterly 750 feet to a monument and post being at the center of the westerly side line of said claim; thence southeasterly 750 feet to a monument and post at the S.E. corner of said claim; thence northeasterly 300 feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act Concerning Mines", approved March 20th, 1895, and amended March 2d, 1899.

Dated and posted on the ground this _____ day of _____ 190_.

Lode Claim.

To all whom it may concern; This mining claim, the name of which is the St. Paul Mining Claim, situate on lands belonging to the United States of America and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by Sam Franklin, a citizen of the United States, the undersigned on the 1th First day of January, 1901.

The length of this claim is 1500 fifteen hundred feet and I claim 1200 twelve hundred feet in a northwesterly direction and 300 three hundred feet in a southeasterly direction, from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with 300 ~~feet/in/width~~ three hundred feet in width of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the northwesterly to the southeasterly.

The claim is situated and located in the Black Rock Mining District, in Yavapai County, in the Territory of Arizona, about 4500 feet in a southeasterly direction from Franklins Spring and cabin and is the north extension of the St. Louis Mining claim and is an abandon property formly non as the Dorson City.

The surface boundaries of the claim are marked upon the ground as follows; Beginning at monument of stone and post at a point in a northwesterly direction 1200 feet from the discovery shaft (at which this notice is posted), being in the center of the northerly end line of said claim; thence northeasterly 300 feet to a post being the N.E. corner of said claim; thence southeasterly 750 feet to a post at the center of the easterly side line of said claim; thence southeasterly 750 feet to a post being at the S.E. corner of said claim; thence southwesterly 300 feet to a post at the center of the south end of said claim; thence southwesterly 300 feet to a post being at the S.W. corner of said claim; thence northwesterly 750 feet to a post being at the center of the westerly side line of said claim; thence northwesterly 750 feet to a post at the N.W. corner of said claim; thence northeasterly 300 feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII of the Revised Statutes of the United States and of an act of the General Assembly of Arizona, entitled "An Act Concerning Mines", approved March 20th, 1895 and amended March 2d, 1899.

Dated and posted on the ground this 1th first day of January, 1901.

"Grand".

Notice of Mining Location.
Lode Claim.

To all whom it may concern; This Mining Claim, the name of which is the Grand Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by W.T.Somes, a citizen of the United States, the undersigned on the 1st day of January, 1902.

The length of this claim is 1500 fifteen hundred feet and I claim 300 three hundred feet in a northwesterly direction and 1200 twelve hundred feet in a southeasterly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with three hundred (300) feet in width of the surface grounds on each side of the center of said claim.

The general course of the lode deposit and premises is from the northwesterly to the southeasterly.

The claim is situated and located in the Black Rock Mining District, in Yavapai County, in the Territory of Arizona, about 2500 feet in a easterly direction from Franklins spring and is the north extension of the Denis Mining Claim and joins the west side of the St.Paul mine.

The surface boundaries of the claim are marked upon the ground as follows; Beginning at post 4X4-4 feet high at a point in a northerly direction 300 feet from the discovery shaft (at which this notice is posted), being in the center of the north end line of said claim; thence northeasterly 300 feet to a monument and post being the N.E. corner of said claim; thence southeasterly 1500 feet to a monument being at the S.E. corner of said claim; thence southwesterly 300 feet to a monument at the center of the sutherly end of said claim; thence southwesterly 300 feet to a monument being at the S.W. corner of said claim; thence northwesterly 1500 feet to a monument at the N.W. corner of said claim; thence northeasterly 300 feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXIII of the Revised Statutes of the United States and of an act of the General Assembly of Arizona, entitled "An Act to Revise and Codify the laws of the Territory of Arizona", approved March 16th, 1901.

Dated and posted on the ground this 1st day of January, 1902.
