FINAL OATH OF U. S. DEPUTY MINERAL SURVEYOR

I, Franklin W Smith, U. S. Deputy Mineral Surveyor, do solemnly swear that, in pursuance of instructions received from the United States Surveyor General for Arizona, dated August 16th 1904, I have, in strict conformity to the laws of the United States, the official regulations and instructions thereunder, and the instructions of said Surveyor General, faithfully and correctly executed the survey of the Mining Claim of Jacob Perry et al, known as the No. 7, situate in Marion Mining District, Cochise County, Arizona, in Section approx, Township No. 23S, Range No. 24E Paul SRB & M and designated as Survey No. 1979, as represented in the foregoing field notes, which accurately show the boundaries of said mining claim as distinctly marked by monuments on the ground, and described in the attached copy of the location certificate, which was received by me from the Surveyor General with said instructions, and that all the corners of said survey have been established and perpetuated in strict accordance with the law, official regulations and instructions thereunder; and I do further solemnly swear that the foregoing are the true and original field notes of said survey and my report therein, and that the labor expended and improvements made upon said mining claim by claimants or the grantors are as therein fully stated, and that the character, extent, location and itemized value thereof are specified therein with particularity and full detail, and that no portion of said labor or improvements so credited to this claim has been included in the estimate of expenditures upon any other claim.

Franklin W Smith
U. S. Deputy Mineral Surveyor.

County Recorder.

Notice of Mining Location

Quartz ~~LODE CLAIM~~

To All Whom it May Concern:

This Mining Claim, the name of which is the No. 47
Mining Claim, situate on lands belonging to the United States of America, and in which there
are valuable mineral deposits, was entered upon and located for the purposes of exploration and
purchase by Jacob Pirrung, Robert J. Hutchison, W^m
Aylward, John Aylward
(Locator must insert either "a citizen of the United States," or, "who has declared his intention to become a citizen of the United States.")

the undersigned, on the 29 day of December 1901
The length of this claim is 1500 feet,
and one claim about 150 feet,
in a westerly direction and about 1350
feet in a easterly direction from
the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together
with 300 feet in width of the surface grounds, on each
side of the center of said claim. The general course of the lode deposit and premises is from the

easterly to the westerly
The claim is situated and located in the Warren Mining District, in
Cochise County, in the Territory of Arizona, about 3 miles
in a easterly direction from Bisbee

The surface boundaries of the claim are marked upon the ground as follows: Beginning at

at a point in a westerly direction about 150 feet from
the discovery shaft (at which this notice is posted), being in the center of the west
end line of said claim; thence 300 feet to a monument
S.W. corner of said claim; thence
1500 feet to a monument, being at the
S.E. corner of said claim; thence 300 feet
to a monument being at the center of the East end of said claim;
thence 300 feet to a monument, being at the
N.E. corner of said claim; thence 1500
feet to a monument at the N.W. corner of said claim;
thence 300 feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of
the United States, and of an Act of the General Assembly of Arizona, entitled "An Act to
^{Codify} ^{Revise} and ^{Revise} ^{Codify} the Laws of the Territory of Arizona," approved March 16, 1901.

Dated and posted on the ground this 29 day of December 1901

This diagram is to give locator a general idea of plan of location under the new law. The Discovery Shaft can be in the center of claim or any distance from either end desired. In the diagram it is placed 500 feet from one end and 1000 feet from the other. Commence description of claim at a center end monument, giving its distance and direction from center of Discovery Shaft; thence bound the claim in either direction. In description be careful to state locality of claim with reference to some natural object, or permanent monument, as will identify the claim.
