FINAL OATH OF U. S. DEPUTY MINERAL SURVEYOR

I, Franklin W. Smith, U. S. Deputy Mineral Surveyor, do solemnly swear that, in pursuance of instructions received from the United States Surveyor General for Arizona, dated October 7th, 1904, I have, in strict conformity to the laws of the United States, the official regulations and instructions thereunder, and the instructions of said Surveyor General, faithfully and correctly executed the survey of the Mining Claim of Label Superior and Tillsburg Mining Co. J.M.O. Connell atty., known as the Palmer, situate in Maricopa Mining District, Cochise County, Arizona in Section approx Township No. 23 S., Range No. 24 E. G. and S. R. B & M and designated as Survey No. 1994, as represented in the foregoing field notes, which accurately show the boundaries of said mining claim as distinctly marked by monuments on the ground, and described in the attached copy of the location certificate, which was received by me from the Surveyor General with said instructions, and that all the corners of said survey have been established and perpetuated in strict accordance with the law, official regulations and instructions thereunder; and I do further solemnly swear that the foregoing are the true and original field notes of said survey and my report therein, and that the labor expended and improvements made upon said mining claim by claimant or its grantors are as therein fully stated, and that the character, extent, location and itemized value thereof are specified therein with particularity and full detail, and that no portion of said labor or improvements so credited to this claim has been included in the estimate of expenditures upon any other claim.

Franklin W. Smith
 U. S. Deputy Mineral Surveyor.

Affidavit of Five Hundred Dollars Improvements.

We, Frank Rafoth, and Fred Hauenstein

of lawful age, being first duly sworn according to law, depose and say: That we

are acquainted with the Palmer mining claim,

situate in Harreu Mining district, Cochise County,

Arizona Territory, for which Lake Superior and Pittsburg

Mining Co. J. M. O'Connell, atty

have made application for survey prior to application for patent under the provisions

of the Act of Congress, approved May 10, 1872; and that the labor done and improve-

ments made thereon by the applicant and its grantors exceed Five Hundred

Dollars in value, and further that we are not personally interested in said mine.

Notice of Mining Location

LODE CLAIM

To All Whom It May Concern:

This Mining Claim, the name of which is the Palmer Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purposes of exploration and purchase by C. L. Beckwith, a citizen of the United States,

(Locator must insert either "a citizen of the United States," or, "who has declared his intention to become a citizen of the United States.")

the undersigned, on the 24th day of March 1902

The length of this claim is 616' (more or less) feet,

and 1 claim sixteen (16') feet,

in a southerly direction and 600

feet in a northerly direction from

the center of the discovery ~~shaft~~ ^{cut}, at which this notice is posted, lengthwise of the claim, together

with from 1 to 150 feet in width of the surface grounds, on each

side of the center of said claim. The general course of the lode deposit and premises is from the

south to the North

The claim is situated and located in the Warren Mining District, in

Cochise County, in the Territory of Arizona, about 1 1/2 Miles

in a southeast direction from the town of Bisbee and

is bounded upon the East by Unknown No. 1 and

upon the West by Sunny Side & Gibraltar all approved surveys,

and this location is made for the purpose of covering

all vacant ground between said approved surveys.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at

a 4" x 4" x 4" Post in mound of stone

at a point in a southerly direction 16 feet from

the discovery shaft (at which this notice is posted) being in the center of the south

end line of said claim; thence northerly 150 feet to a post in mound

of stone common to Co. Sunny Side, Gibraltar being the Western corner of said claim; thence

northeasterly 333 feet to a post in mound of stone, being at the

N. W. corner of said claim; thence southerly 1 foot feet

to a post in mound of stone at the center of the north end of said claim;

thence southerly 1 foot feet to a post in mound of stone, being at the

N. E. corner of said claim; thence southwesterly 616

feet to a post in mound of stone at the southerly corner of said claim;

thence northerly 150 feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act to Revise and Codify the Laws of the Territory of Arizona," approved March 16, 1901.

Dated and posted on the ground this 24th day of March 1902.

This diagram is to give locator a general idea of plan of location under the new law. The Discovery Shaft can be in the center of claim or any distance from either end desired. In the diagram it is placed 500 feet from one end and 1000 feet from the other. Commence description of claim at a center end monument, giving its distance and direction from center of Discovery Shaft; thence bound the claim in either direction. In description be careful to state locality of claim with reference to some natural object, or permanent monument, as will identify the claim.
