Notice of Mining Location

LODE CLAIM

To All Whom it May Concern:

This Mining Claim, the name of which is the Mc Kinley Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purposes of exploration and purchase by James W. Hunt, who is a citizen of the United States

(Locator must insert either "a citizen of the United States," or, "who has declared his intention to become a citizen of the United States.")

the undersigned, on the 21st day of August 1903.

The length of this claim is fifteen hundred feet, and I claim two hundred and seventy five feet, in a Northerly direction and twelve hundred and twenty five feet in a Southerly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with three hundred feet in width of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the Northerly to the Southerly

The claim is situated and located in the Warren Mining District, in Cochise County, in the Territory of Arizona, about two miles in an Easterly direction from the town of Bisbee, Arizona and about three thousand feet East of the Cabinet and Cochise shaft, and adjoins the East end of the "Cognac" Mining claim

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a monument

at a point in a Northerly direction two hundred and seventy five feet from the discovery shaft (at which this notice is posted), being in the center of the Northerly end line of said claim; thence Easterly three hundred feet to a monument, being the Southeast corner of said claim; thence southerly fifteen hundred feet to a monument, being at the Southeast corner of said claim; thence Easterly three hundred feet to a monument at the center of the southerly end of said claim; thence westerly three hundred feet to a monument, being at the Southwest corner of said claim; thence Northerly fifteen hundred feet to a monument at the Northwest corner of said claim; thence Easterly three hundred feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act to Revise and Codify the Laws of the Territory of Arizona," approved March 16, 1901.

This is an Amended Location Notice of the Mc Kinley Mining Claim, located by James W. Hunt on the 21st day of August 1903, and recorded in Book 28 of Record of Mines, at page 256, in the office of the County Recorder of the aforesaid County of Cochise to which reference is hereby made, and this amended Location Notice is made and posted to correct errors in the description in the said original Location Notice.

Dated and posted on the ground this 28th day of August 1903

This diagram is to give locator a general idea of plan of location under the new law. The Discovery Shaft can be in the center of claim or any distance from either end desired. In the diagram it is placed 500 feet from one end and 1000 feet from the other. Commence description of claim at a center end monument, giving its distance and direction from center of Discovery Shaft; thence bound the claim in either direction. In description be careful to state locality of claim with reference to some natural object, or permanent monument, as will identify the claim.

U. S. SURVEYOR-GENERAL'S FINAL CERTIFICATE ON FIELD NOTES.

Department of the Interior,

OFFICE OF U. S. SURVEYOR-GENERAL,

Phoenix, Arizona.

July 21, 1905

I, U. S. Surveyor-General for the district of Arizona do hereby certify that the foregoing transcript of the Field Notes, return and approval of the survey of the mining claim of B. F. Graham,

known as the Coniac and McKinley.

situate in Warren

Mining District, Cochise County, Arizona.

in Section approx., Township No. 23 S., Range No. 24 E. unsurveyed and

designated as Survey No. 2042, has been correctly copied from the originals on file in

this office; that said Field Notes furnish such an accurate description of said mining claim as will, if

incorporated into a patent, serve fully to identify the premises, and that such reference is made therein

to natural objects or permanent monuments as will perpetuate and fix the locus thereof.

And I further certify that five hundred dollars' worth of labor has been expended or improvements made upon each of said mining claims by claimant or his grantors, and that said improvements consist of 12 shafts, total value \$1320.00

and that no portion of said labor or improvements has been included in the estimate of expenditures upon any other claim.

I further certify that the plat thereof, filed in the U. S. Land Office at Tucson, Arizona, is correct and in conformity with the foregoing Field Notes.
