FINAL OATH OF U. S. DEPUTY MINERAL SURVEYOR

Ĭ,	W. V. Mader, U. S. Deputy Mineral
Surveyor, do sole	mnly swear that, in pursuance of instructions received from the United
States Surveyor (General for, dated, dated, lasted, dated, dated, dated, dated, dated, dated, dated, dated
may .	1 have, in strict conformity to the laws of the
	official regulations and instructions thereunder, and the instructions
of said Surveyor	General, faithfully and correctly executed the survey of the Mining
Claim of	N. 9. O'Shea
	, known as the
Mary Eller	, Clark, East Gold Ruf and Midgen,
situate in	N. g. O'Shea known as the known as the Clark East Gold Ruf and Midgen, Verde Mining District,
	Jarafrai County, arizona, in Section ownship No. 18 N., Range No. 26, unsurveyed
approx, To	ownship No. 15 N, Range No. 26, unsurveyed
and designated as	s Survey No. 2065 , as represented
in the foregoing f	field notes, which accurately show the boundaries of said mining claim
as distinctly mark	ked by monuments on the ground, and described in the attached copy
of the location of	ertificate, which was received by me from the Surveyor General with
said instructions,	and that all the corners of said survey have been established and per-
petuated in strict	accordance with the law, official regulations and instructions there-
under; and I do	further solemnly swear that the foregoing are the true and original
field notes of sa	id survey and my report therein, and that the labor expended and
improvements ma	ade upon said mining claim by claimant or his grantors
are as therein fu	ally stated, and that the character, extent, location and itemized value
thereof are speci	fied therein with particularity and full detail, and that no portion of
said labor or imp	rovements so credited to this claim has been included in the estimate
	ipon any other claim.

NOTICE OF LOCATION.

Know all men by these presents:

That I, the undersigned, have this day located rifteen hundred linear feet of this vein or lode, bearing precious metals, with all dips, spurs, angles and variations, with surface ground three hundred feet on each side of the center vein, with all mineral deposits contained therein, and all timber growing within the limits of said claim, and all water and "ater privileges thereon or appurtenant thereto, under and according to the provisions of the United States Mining Laws, under which it is located.

This claim commences at this monument and notice placed upon the ledge, and runs 750 feet in a Northerly direction and 750 feet in a Southerly direction along the ledge.

The exterior boundaries are as follows, viz:

Commencing at a monument of stone on west boundary
line, distant three hundred (300) feet in a Westerly direction from discovery monument; thence in a northerly direction parallel with the leage 750 feet to nonument of stone at N. W. corner of claim; thence in an easterly direction at right angles across the ledge Six hundred (500) feet to nonument of stone at W. E. corner of clain; thence in a southerly direction parallel with the ledge rifteen hundred (1500) feet to monument of stone at S. E. corner of claim; thence at right angles across the ledge in a westerly direction Six hurdred (doo) feet to monument of stone at S. W. corner of claim; thence in a northerly direction parallel with the ledge 750 feet to monument on west boundary and place of beginning.

This ledge may be more generally described as situated about 2000 feet southedst from V. S. mineral momment No. 2 in Verde Mining District. Yavapai County, Arizona Territory, and shall be known as the Clark Mining Claim.

Dated on the ground this second day of Hovember, 1894.

James Patterson.

Witnessel by J. T. Allen.

Recorded at request of John Duke Hov. 30" A. D. 1894, at 1:47 o'clock P. M., in Book 39 of Mines, page 348, Records of Yavapai County, Arizona.

Alex O. Brodie. County Recorder.

By F. A. Tritle Jr. Deputy. "MIDGEN".

NOTICE OF LOCATION.

KNOW ALL MEN BY THESE PRESENTS:

That I the undersigned have this day located fifteen hundred (1500) linear feet of this vein or lode bearing precious metals with all dips, spurs, angles and variations with surface ground three hundred (300) feet on each side of the center of vein with all mineral deposits contained therein and all timber growing within the limits of said claim and all water and water privileges thereon or appurtenant thereto under and according to the provisions of the Mining Laws of the United States under which it is located.

This claim cornences at this nonument and notice placed upon the ledge and runs fifteen hundred (1500) feet in

a easterly direction along the ledge.

The exterior boundaries are as follows, viz: Commencing at this monument and notice and numing three hundred (300) feet in an northwest direction to monument of stone at N. V. corner of claim; thence in a easterly direction parallel with the ledge fifteen hundred (1500) feet to monument at N. E. corner of claim; thence at right angles across the ledge in a southerly direction six hundred (600) feet to monument at S. E. corner of claim; thence parallel with the lode in a westerly direction fifteen hundred (1500) feet to

lode in a westerly direction fifteen hundred (1800) feet to monument at S. W. corner of claim; thence at right angles across the ledge in an northerly direction three hundred (300) feet to monument upon the ledge and place of beginning.

This ledge may be more generally described as situated the bear on the north, the rabbit on the south, the Copper Chief northwest, the Cold reef Southwest, a house built on the premises ten by twenty. In verde Mining District Yavapai County, Arisona Territory and shall be known as the Medgen Min-

ing Claim.

Dated on the ground this first day of January, 1896.

James Patterson.

Witness: F. E. Wagner.

H. M. Abbott.

Recorded at request of James Patterson Harch 9" A. D. 1896 at 9:25 c'clock A. H., in Pook 44 of Hines, Pages 11-12, Records of Yavapai County, Arizona.
