Notice of Mining Location.

LODE CLAIM.

To All Whom It May Concern:

This mining claim, the name of which is the Baltus Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by John A. Johnson Joe Bartel

(Locator must insert either "a citizen of the United States," or, "who has declared his intention to become a citizen of the United States.") the undersigned, on the 15th day of June 1903.

The length of this claim is 1500 feet, and we claim 750 feet in an easterly direction, and 750 feet in a westerly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with 300 feet in width of the surface grounds, on each side of the discovery monument of said claim. The general course of the lode deposit and premises is from the easterly to the westerly.

The claim is situated and located in the Marion Mining District, in Cochise County, in the Territory of Arizona, about 1 1/2 miles in a North Easterly direction from The Hall Brook shaft in the Johnson Conger Mines the Cochise and the Copper King ground

The surface boundaries of the claim are marked upon the ground as follows: Beginning at Monument of Stone

at a point in a westerly direction 750 feet from the discovery shaft (at which this notice is posted), being in the center of the northerly end line of said claim; thence Southwesterly 300 feet to a monument of stone, being the Southwesterly corner of said claim; thence easterly 1500 feet to a monument of stone being at the Southwesterly corner of said claim; thence Northwesterly 300 feet to a monument of stone at the center of the Southwesterly end of said claim; thence Northwesterly 300 feet to a monument of stone being at the Southwesterly corner of said claim; thence westerly 1500 feet to a monument of stone at the Northwesterly corner of said claim; thence Southwesterly 300 feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act to Revise and Codify the Laws of the Territory of Arizona," approved March 16, 1901.

This is an Amended Location Notice of the Baltus Mining Claim, located by John A. Johnson Joe Bartel on the 15 day of June 1903, and recorded in Book 150 of Records of Mines, at page 100 in the office of the County Recorder of the aforesaid County of Cochise to which reference is hereby made, and this Amended Location Notice is made and posted to correct errors in the description in the said original Location Notice.

Dated and posted on the ground this 15 day of June 1903.

This diagram is to give locator a general idea of plan of location under the new law. The Discovery Shaft can be in the center of claim or any distance from either end desired. In the diagram it is placed 500 feet from one end and 1000 feet from the other. Commence description of claim at a center end monument, giving its distance and direction from center of Discovery Shaft; thence bound the claim in either direction. In description be careful to state locality of claim with reference to some natural object, or permanent monument, as will identify the claim.
