ADJOINING CLAIMS.

North Pest House, lode unsurveyed, J. S. Smyth, et al owners;

East High Flyer lode unsurveyed, same owners;

South Unsurveyed claim owner unknown.

West. Jennie Gibson lode, unsurveyed, J. S. Smyth et al owners.

LOCATION.

This claim is located about 4.5 mi. in an Easterly
direction from the City of Bisbee and about 1 mi in an E
direction from the shaft of the Saginaw Dev. Co. on unsur-
veyed lands in the Warren Mining District, Cochise County
Arizona, approximately in Tp 23 S R 24 E G & S R B & M.
unsurveyed.

INSTRUMENT.

This survey was made with a C.L. Berger & Sons
No.1 C transit; the courses were deflected from the true
meridian as determined by solar observation checked by
an observation on Polaris; the distances were measured
with a 300 ft steel tape; magnetic variation 12° 30' E.

Franklin W. Smith
U. S. Deputy Mineral Surveyor

Dated at Bisbee Arizona July 25, 1905.

Note

Complete affidavit of \$500 improvements on this claim
will be furnished prior to the expiration of the period of
publication.

FINAL OATH OF U. S. DEPUTY MINERAL SURVEYOR

I, Franklin W. Smith, U. S. Deputy Mineral Surveyor, do solemnly swear that, in pursuance of instructions received from the United States Surveyor General for Territory of Arizona, dated July 5, 1905, I have, in strict conformity to the laws of the United States, the official regulations and instructions thereunder, and the instructions of said Surveyor General, faithfully and correctly executed the survey of the Mining Claim of John Carretto & B. Andriano, known as the Stonewall, situate in Warren Mining District, Cochise County, Arizona, in Section Approx, Township No. 23 S, Range No. 24 E Unsurveyed, and designated as Survey No. 2126, as represented in the foregoing field notes, which accurately show the boundaries of said mining claim as distinctly marked by monuments on the ground, and described in the attached copy of the location certificate, which was received by me from the Surveyor General with said instructions, and that all the corners of said survey have been established and perpetuated in strict accordance with the law, official regulations and instructions thereunder; and I do further solemnly swear that the foregoing are the true and original field notes of said survey and my report therein, and that the labor expended and improvements made upon said mining claim by claimant or Their grantors are as therein fully stated, and that the character, extent, location and itemized value thereof are specified therein with particularity and full detail, and that no portion of said labor or improvements so credited to this claim has been included in the estimate of expenditures upon any other claim.

Franklin W. Smith
U. S. Deputy Mineral Surveyor.

LODE CLAIM

To All Whom It May Concern:

This Mining Claim, the name of which is the Stone Wall Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purposes of exploration and purchase by B. Andriano and John Baretto

(Locator must insert either "a citizen of the United States," or, "who has declared his intention to become a citizen of the United States.")

the undersigned, on the 14th day of February 1903.

The length of this claim is 1500 feet, and we claim 500 feet, in a easterly direction and 1000 feet in a westerly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with 300 feet in width of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the easterly to the westerly

The claim is situated and located in the Warren Mining District, in Cochise County, in the Territory of Arizona, about 2 one half mile in a easterly direction from Bisbee

The surface boundaries of the claim are marked upon the ground as follows: Beginning at

monument of stone at a point in a easterly direction 500 feet from the discovery shaft (at which this notice is posted), being in the center of the easterly end line of said claim; thence 300 feet to a monument of stone, being the northeasterly corner of said claim; thence 1500 feet to a monument, being at the north westerly corner of said claim; thence 300 feet to a monument at the center of the westerly end of said claim; thence 300 feet to a monument, being at the south westerly corner of said claim; thence 1500 feet to a monument at the southeasterly corner of said claim; thence 300 feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act to Revise and Codify the Laws of the Territory of Arizona," approved March 16, 1901.

Dated and posted on the ground this 14th day of February 1903.

U. S. SURVEYOR-GENERAL'S FINAL CERTIFICATE ON FIELD NOTES.

Department of the Interior,

OFFICE OF U. S. SURVEYOR-GENERAL,

Phoenix, Arizona.

Aug. 25, 1905.

I, U. S. Surveyor-General for the district of Arizona, do hereby certify that the foregoing transcript of the Field Notes, return and approval of the survey of the mining claim of John Caretto and B. Andrino,

known as the Stonewall, situate in Warren Mining District, Cochise County, Arizona,

in Section approx., Township No. 23 S., Range No. 24 E. unsurveyed and designated as Survey No. 2126, has been correctly copied from the originals on file in this office; that said Field Notes furnish such an accurate description of said mining claim as will, if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects or permanent monuments as will perpetuate and fix the locus thereof.

And I further certify that less than five hundred dollars' worth of labor has been expended or improvements made upon said mining claim by claimant or their grantors, and that said improvements consist of, at time of survey, one discovery shaft, value \$100.00

and that no portion of said labor or improvements has been included in the estimate of expenditures upon any other claim.

I further certify that the plat thereof, filed in the U. S. Land Office at Tucson, Arizona, is correct and in conformity with the foregoing Field Notes.

(Signed) Frank S. Ingalls,

United States Surveyor-General for Arizona.

SURVEYOR-GENERAL'S CERTIFICATE OF APPROVAL OF FIELD NOTES AND SURVEY OF MINING CLAIM.

Department of the Interior,

Office of U. S. Surveyor-General,

Phoenix, Arizona,

Aug 25, 1905

I, U. S. Surveyor-General for the district of Arizona,

do hereby certify that the foregoing and hereto attached Field Notes and Return of the Survey of the Mining Claim of John Caretto and B. Andrino

known as the Stonewall,

situate in Warren Mining District, Cochise County, Territory of Arizona.

in Section APPROX., Township No. 23 S., Range No. 24 E. unsurveyed. designated as Survey No. 2126

executed by Franklin W. Smith, U. S. Deputy Mineral Surveyor, July 15th-16th 1905, 1905, under my instructions dated July 5th 1905, 1905, have been critically examined and the necessary cor-

rections and explanations made, and the said Field Notes and Return, and the Survey they describe, are hereby approved. A true copy of the copy of the location certificate filed by the applicant for survey is included in the field notes.

Frank J. Ingalls

U. S. Surveyor-General for Arizona.
