Notice of Location

Know all men by these presents: That we the undersigned have this day located fifteen hundred (1500) linear feet of this vein or lode, bearing precious metals, with all dips, spurs, <sup>and</sup> angles and variations, with surface ground three hundred (300) feet on each side of the center of vein, with all mineral deposits contained therein and all timber growing within the limits of said claim, and all water and water privileges thereon or appurtenant thereto, under and according to the provisions of the Mining Laws of the United States, under which it is located.

This claim commences at this monument and notice placed upon the ledge and runs fifteen hundred (1500) feet in a Southerly direction along the ledge.

The exterior boundaries are as follows, viz:-

Commencing at this monument and notice and running three hundred (300) feet in an easterly direction to monument of stone at N.E. corner of claim; thence in a southerly direction parallel with the ledge fifteen hundred (1500) feet to monument at S.E. corner of claim; thence at right angles across the ledge in a westerly direction six hundred (600) feet to monument at S.W. corner of claim; thence parallel with the lode in a northerly direction fifteen hundred (1500) feet to monument at N.W. corner of claim; thence at right angles across the ledge in an easterly direction three hundred (300) feet to monument upon the ledge and place of beginning.

This ledge may be more generally described as situated on the Peck Road about seven miles South of Prescott, and about one mile North of Hassayampa Creek and formerly known as the Spring Garden Mine in the Hassayampa Mining District, Yavapai County Arizona Territory and shall be known as the Lost Chance Mining Claim.

Dated on the ground this 1st day of January 1886.

Mining District, Yavapai County, Arizona  
in Section 34 & 35, Township No. 13 N., Range No. 2 W., and  
designated as Survey No. 2129, has been correctly copied from the originals on file in  
this office; that said Field Notes furnish such an accurate description of said mining claim as will, if  
incorporated into a patent, serve fully to identify the premises, and that such reference is made therein  
to natural objects or permanent monuments as will perpetuate and fix the *locus* thereof.

And I further certify that five hundred dollars' worth of labor has been expended or improve-  
ments made upon said mining claim by claimant.. or their grantors, and that said improvements  
consist of 3 shafts and 1 cut, total value \$1150.00

and that no portion of said labor or improvements has been included in the estimate of expenditures  
upon any other claim.

I further certify that the plat thereof, filed in the U. S. Land Office at Prescott  
Arizona is correct and in conformity with the foregoing Field Notes.
