NOTICE OF MINING LOCATION.

Lode Claim.

To all whom it may concern:

This Mining Claim, the name of which is the London Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by W. H. Harris the undersigned, on the fifteenth day of May, 1902.

The length of this claim is fifteen hundred (1500) feet, and I claim twelve hundred (1200) feet in a northerly direction and three hundred 300 feet in a southerly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with three hundred 300 feet in width of the surface grounds, on each side of the center of said vein. The general course of the lode deposit and premises is from the northerly to the southerly.

The claim is situated and located in the Agua Fria Mining District in Yavapai County, in the Territory of Arizona, about one (1) mile in a southerly direction from Stoddard Post Office adjoins New York mining claim on the south and about one fourth mile west of the Agua Fria river and adjoins the Paris on the north.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a monument of stones at a point in a northerly direction twelve hundred (1200) feet from the discovery shaft (at which this notice is posted), being in the center of the north end line of said claim; thence easterly 300 feet to a monument of stones being the northeast corner of said claim; thence southerly 1500 feet to a monument of stones being at the south east corner of said claim; thence westerly 300 feet to a monument of stones at the center of the south end of said claim; thence westerly 300 feet to a monument of stones being at the southwest corner of said claim; thence northerly 1500 feet to a monument of stones being at the northwest corner of said claim; thence easterly 300 feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the revised Statutes of the United States and of an Act of the General Assembly of Arizona, entitled "An Act Concerning Mines", approved March 20, 1895, and amended March 2d, 1899, and March 16, 1901.

Dated and posted on the ground, this 15th day of May, 1902.
