AMENDED  
**Notice of Mining Location**  
LODE CLAIM

To All Whom It May Concern:

This Mining Claim, the name of which is the "Tommy Tot" Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by Isaac T. Stoddard, a citizen of the United States

~~(Locator must insert either "a citizen of the United States," or, "who has declared his intention to become a citizen of the United States.")~~

the undersigned, on the 4th day of July 1901

The length of this claim is Fifteen hundred feet, and I claim Fourteen hundred and eighty feet, in a Northwesterly direction and Twenty feet in a Southeasterly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with Three hundred feet in width of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the North to the South

The claim is situated and located in the Agua Fria Mining District, in Yavapai County, in the Territory of Arizona, about Six hundred feet in an Easterly direction from U. S. Mineral Monument No. 1, Agua Fria District, and adjoins the Post Office Mining Claim located simultaneously this day, and on the Northerly end of the same.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a post

at a point in a Southerly direction Twenty feet from the discovery shaft (at which this notice is posted,) being in the center of the South end line of said claim; thence Three hundred feet to a post, being the Southeast corner of said claim; thence Fifteen hundred feet to a post, being at the Northeast corner of said claim; thence Three hundred feet to a post at the center of the North end of said claim; thence Three hundred feet to a post, being at the Northwest corner of said claim; thence Fifteen hundred feet to a post at the Southwest corner of said claim; thence Three hundred feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act to Revise and Codify the Laws of the Territory of Arizona," approved March 16, 1901.

This is an Amended Location Notice of the "Tommy Tot" Mining Claim, located by Isaac T. Stoddard (and subsequently conveyed to the Stoddard Incorporating Company) on the 4th day of July 1901, and recorded in Book 59 of Records of Mines, at page 299, in the office of the County Recorder of the aforesaid County of Yavapai to which reference is hereby made, and this amended Location Notice is made and posted to correct errors in the description in the said original Location Notice.

Dated and posted on the ground this 27th day of July 1901

This diagram is to give locator a general idea of plan of location under the new law. The Discovery Shaft can be in the center of claim or any distance from either end desired. In the diagram it is placed 500 feet from one end and 1000 feet from the other. Commence description of claim at a center end monument, giving its distance and direction from center of Discovery Shaft; thence bound the claim in either direction. In description be careful to state locality of claim with reference to some natural object, or permanent monument, as will identify the claim.
