Recorder of Mohave County.

AMENDED LOCATION CERTIFICATE.

THIS IS TO CERTIFY that on May 24, 1900 Casper Taylor M. Derrick, and P. White, discovered within the limits of the "LAST CHANCE" Mining Claim, as hereinafter described, a lode of rock in place, bearing valuable minerals, and thereupon on said day, located the same as a lode mining claim, by defining the boundaries thereof in the manner prescribed by law, and by posting at the point of said discovery, a notice of said location, purporting to comply with the laws of the United States and of the State of Nevada:

That on 24th day of May 1900, said locators filed a location certificate of said claim, with the Recorder of Mohave County, Arizona said certificate being of record in Book "O" page 598, Records of Mining Locations of said County,

That for the purpose of correcting any and all defects and errors in said original location, certificate, and any failure to comply with the requirements of the law before filing the same, and for the purpose of changing the surface boundaries of said claim, and of taking in any and all parts of any and all overlapping claims, which have been abandoned, or any other vacant ground and for the purpose of securing any other and further benefits which may be thereby obtained, the undersigned hereby makes and files for record in the office of said Recorder, this additional and amended location certificate of said claim:

That the general course of said lode, as nearly as can be ascertained at this time, is, and the undersigned claims, along said lode N. 49°33' W. 297. feet and S. 49°33' E. 969.8 feet from the point of discovery, with 300 feet on each side of the center of said lode.

That this amended location embraces said original discovery and also all development and assessment work which has been performed upon or for the benefit of said original claim, and the undersigned, by making this amended location, does not abandon any right which it may have under said original location, but claims that this amended certificate of location relates back to, the date of said original location, and that it is entitled to the benefits of the original discovery and also of all work done and improvements made upon or for the benefit of said original claim:

That said claim is situated in San Francisco Mining District, Mohave County, Arizona and the following is a more particular description thereof as the same is marked upon the ground:

Beginning at Northerly corner, No. 1 whence Cor. No 2, BILLY BRYAN lode, Mineral Survey No. 1699 A, bears N. 39°09' W. 1043.9 ft.

Thence S. 47°48' E. 1267.5 ft to Easterly (No 2) corner, thence S. 40°15' W. 491.8 ft to Southerly (No. 3) corner, thence N. 52°40' W. 12634 ft to Westerly (No. 4) corner, thence N. 40°15' E. 600.0 ft to place of beginning.

That at each corner and each side center, a post at least 4 1/2 feet long and 4 inches square, is set one foot in the ground and surrounded by a rock and earth mound 2 feet high and 4 feet diameter at base.

That each of said posts is marked "LAST CHANCE" the name of the claim and also as follows, to-wit:

- the North East Corner post is marked N.E. Cor.
- the South East Corner post is marked S.E. Cor.
- the South ~~West~~ Corner post is marked S.W. Cor.
- the North West Corner post is marked N.W. Cor.
- the North Side Center post is marked N.S. Cen.
- the South Side Center post is marked S.S. Cen.

That a discovery tunnel 10 ft. by 6 ft by 4 ft. was within 90 days of the date of said original location, excavated upon said claim, showing a lode deposit of mineral in place, and is located 300 ft from Westerly end line.

Amended Location Made by: Gold Road Mining & Exploration Co.

Filed and Recorded at request of H. K. Wheeler June 10th A. D. 1907, at 1 o'clock P. M. in Book "X" Pages 446-448 of Mining Records of Mohave County, Arizona Territory.

Thos. McNeely
Recorder of Mohave County.

AMENDED LOCATION CERTIFICATE.

THIS IS TO CERTIFY that on May, 18, 1900, L. Leutzinger and John F. Withers discovered within the limits of the "RAILROAD FRACTION" Mining Claim, as hereinafter described, a lode or rock in place bearing valuable minerals, and thereupon, on said day located the same as a lode mining claim, by defining the boundaries thereof in the manner prescribed by law, and by posting at the point of said discovery, a notice of said location, purporting to comply with the laws of the United States and of the State of Nevada:

That on the 18th day of May 1900 said locators filed a location certificate of said claim, with the Recorder of Mohave County, Arizona said certificate being of record in Book "Q", page "I" Records of Mining locations of said County.

That for the purpose of correcting any and all defects and errors in said original location certificate, and any failure to comply with the requirements of the law before filing the same, and for the purpose of changing the surface boundaries of said claim, and of taking in any and all parts of any and all overlapping claims, which have been abandoned or any other vacant ground, and for the purpose of securing any other and further benefits which may be thereby obtained, and for the purpose of naming said claim, "RAILROAD" instead of "RAILROAD FRACTION" the undersigned hereby makes and files for record in the office of said recorder, this additional and amended location certificate of said claim:

That the general course of said lode, as nearly as can be ascertained at this time, is, and the undersigned claims, along said lode, N. 39° 09' W. 411.9 feet, and S. 39° 09' E. 532. feet from the point of discovery, with 300 feet on each side of the center of said lode.

That this amended location embraces said original discovery and also all development and assessment work which has been performed upon or for the benefit of said original claim, and the undersigned, by making this amended location, does not abandon any right which it may have under said original location, but claims that this amended certificate of location relates back to the date of said original location, and that it is entitled to the benefits of the original discovery and also of all work done and improvements made upon or for the benefit of said original claim:

That said claim is situated in San Francisco Mining District, Mohave County, Arizona and the following is a more particular description thereof as the same is marked upon the ground:

Beginning at a Northerly corner No 1 Identical with Cor No. 2, BILLY BRYAN lode, Mineral Survey No 1699 A, thence S. 39° 09' E. 1043.9 ft to Easterly (No. 2) corner, thence S. 40° 15' W. 600.0 ft to Southerly (No. 3) corner, thence N. 39° 09' W. 1043.9 ft Westerly (No. 4) corner, thence N. 40° 15' E. 600.0 ft to place of beginning.

That at each corner and each side center, a post at least 4 1/2 feet, high and 4 inches square, is set one foot in the ground, and surrounded by a rock and earth mound 2 feet high and 4 feet diameter at base.

That each of said posts is marked "RAILROAD" the name of the claim, also as follows to-wit::

- the North East corner post is marked N. E. Cor.
- the South East Corner post is marked S. E. Cor.
- the South West Corner post is marked S. W. Cor.
- the North West Cprner post is marked N. W. Cor.
- the North Side Center post is marked N. S. Cen.
- the South Side Center post is marked S. S. Cen.

That a discovery shaft 10 ft, by 6ft by 4ft., was within 90 days of the date of original location, excavated upon said claim, showing a lode deposit of mineral in place, and is located 40 ft from the Westerly End line.

Amended Location Made by: Gold Road Mining & Exploration Co.
