Supplemental Report of improvements.

In making the original returns for Mineral Survey No.2493, Rosaline No.4 and Ben Hur No.3 Lodes, I credited one half the value of shaft No.3 on Rosaline No.4 Lode to Ben Hur No.3 Lode. I find that this shaft was sunk a short time before the Ben Hur No.3 lode was located, and hence can not be applied as an improvement on the Ben Hur No.3 lode. I make this supplemental report to correct this error and report work which has been done since making the original returns.
