LODE CLAIM

To All Whom It May Concern:

This Mining Claim, the name of which is the THE LAST CHANCE Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purposes of exploration and purchase by Frank H. Ropp, a citizen of the United States

(Locator must insert either "a citizen of the United States," or, "who has declared his intention to become a citizen of the United States.")

the undersigned, on the 1st day of January 1904.

The length of this claim is 400 feet, and I claim 20 feet, in a Easterly direction and 380 feet in a Westerly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with 60 feet in width of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the East to the West.

The claim is situated and located in the Warren Mining District, in Cochise County, in the Territory of Arizona, about one and one half miles in a n. Easterly direction from the City of Bisbee, Said claim joining cemetery on the south side.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a pine post

at a point in a Easterly direction 20 feet from the discovery shaft (at which this notice is posted), being in the center of the East end line of said claim; thence 60 feet to a pine post, being the North East corner of said claim; thence Westerly 400 feet to a Pine post, being at the North West corner of said claim; thence Southerly 60 feet to a pine post at the center of the west end of said claim; thence southerly 60 feet to a pine post, being at the South West corner of said claim; thence Easterly 400 feet to a pine post at the South East corner of said claim; thence Northerly 60 feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act to Revise and Codify the Laws of the Territory of Arizona," approved March 16, 1901.

Dated and posted on the ground this 1st day of January 1904 at 12:01 A.M.

This diagram is to give locator a general idea of plan of location under the new law. The Discovery Shaft can be in the center of claim or any distance from either end desired. In the diagram it is placed 500 feet from one end and 1000 feet from the other. Commence description of claim at a center end monument, giving its distance and direction from center of Discovery Shaft; thence bound the claim in either direction. In description be careful to state locality of claim with reference to some natural object, or permanent monument, as will identify the claim.
