Instrument.

The distances were measured with a 100 and a 300 ft. steel tape.

Location.

This claim is located in Tip Top Mining District, Yavapai County, Arizona, on unsurveyed land, approximately in sec. 35, T. 9 N., R. 2 E., G. & S. R. B. & M.

Handwritten marks at the bottom left corner.

Area.

The total and net area of Midget placer claim is50 acres.

No conflict.

Note:

As the boundary lines of the Midget Placer Claim are true N. and S. and E. and W., and the distances are 660 ft. or a multiple thereof, and it is so well known that an area of 660 ft. on a side with 90° for all including angles contains 10 acres, I have transmitted no traverse sheet for the area.
