app	7 7 7 7 Township No. 1 N , Range No. 14 E unsurveyed ,	
	and designated as Survey No. 2629 , as represented	
	in the foregoing field notes, which accurately show the boundaries of said mining claim	
	as distinctly marked by monuments on the ground, and described in the attached copy	
	of the location certificate, which was received by me from the Surveyor General with	
	said instructions, and that all the corners of said survey have been established and per-	
	petuated in strict accordance with the law, official regulations and instructions there-	
	under; and I do further solemnly swear that the foregoing are the true and original	
	field notes of said survey and my report therein, and that the labor expended and	
	improvements made upon said mining claim by claimant or his grantors	
	are as therein fully stated, and that the character, extent, location, and itemized value	
	thereof are specified therein with particularity and full detail, and that no portion of	
	said labor or improvements so credited to this claim has been included in the estimate	
	of expenditures upon any other claim.
