Amended
Notice of Mining Location.
Lode Claim.

APR.23 1910

To All Whom It May Concern:

This Mining Claim, the name of which is the Boston Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purposes of exploration and purchase by Charles W. Clark, a citizen of the United States the undersigned, on the 21st, day of December 1909

The length of this claim is fifteen hundred (1500) feet, and I claim nine hundred (900) feet, in an easterly direction and six hundred (600) feet in a westerly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with three hundred (300) feet in width of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the east to the west

The claim is situated and located in the Verde Mining District, in Yavapai County, in the Territory of Arizona, about 7 miles in a south-easterly direction from the town of Jerome and adjoins the Seep Claim, Min. Sur. No. 1453, on the west.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a point in an easterly direction 900 feet from the discovery shaft (at which this notice is posted), being in the center of the east end line of said claim; thence 300 feet to a monument of stones, being the southeast corner of said claim; thence 1500 feet to a monument of stones, being at the southwesterly corner of said claim; thence 300 feet to a monument of stones at the center of the west end of said claim; thence 300 feet to a monument of stones, being at the northwest corner of said claim; thence 1500 feet to a monument of stones at the northeast corner of said claim; thence 300 feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act to Revise and Codify the Laws of the Territory of Arizona," approved March 16, 1901.

This is an Amended Location Notice of the Boston Mining Claim, located by Charles W. Clark on the first day of April 1905, and recorded in Book 73 of Records of Mines, at page 260, in the office of the County Recorder of the aforesaid County on April 13, 1905 to which reference is hereby made, and this Amended Location Notice is made and posted to correct errors in the description in the said original Location Notice.

SUMMIT Lode Mining Claim, the amended notice of location whereof is of record in Book 86 of Mines, at page 105, said records.

CHICKADEE Lode Mining Claim, the amended notice of location whereof is of record in Book 86 of Mines, at page 106, said records.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my Official Seal, this 17th day of March, A.D. 1910.

J. C. Bradbury
 County Recorder.

U. S. SURVEYOR-GENERAL'S FINAL CERTIFICATE ON FIELD NOTES.

Department of the Interior,

OFFICE OF U. S. SURVEYOR-GENERAL,

Phoenix, Ariz.,

January 25, 1911., 190

I, U. S. Surveyor-General for Arizona,

do hereby certify that the foregoing transcript of the Field Notes, return and approval of the survey of the mining claim of

Charles W. Clark,

known as the BOSTON, CHICKADEE, SUMMIT,

situate in Verde

Mining District, Yavapai County, Arizona,

in Section 23, Township No. 15 N., Range No. 2 E. (unsurveyed) and

designated as Survey No. 2810, has been correctly copied from the originals on file in

this office; that said Field Notes furnish such an accurate description of said mining claim as will, if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects or permanent monuments as will perpetuate and fix the locus thereof.

And I further certify that five hundred dollars' worth of labor has been expended or improvements made upon said mining claim^{or for each of} by claimant or his grantors, and that said improvements consist of 3 cuts and 1 tunnel, total value \$15300.00.

The main working tunnel which starts on the Seep lode, Sur. No. 1453, is a common improvement for the three claims of this survey, and an undivided 1/3 interest therein, value \$5000, is properly credited to each of the three claims in this group.

and that no portion of said labor or improvements has been included in the estimate of expenditures upon any other claim.

I further certify that the plat thereof, filed in the U. S. Land Office at Phoenix, Arizona,

is correct and in conformity with the foregoing Field Notes.

Frank S. Ingalls,

United States Surveyor-General for Arizona.
