Preliminary Oaths of Assistants.

24  
 We, Marvin Gaudle  
 and E. B. Hamilton  
 do solemnly swear that we will well and faithfully  
 execute the duties of Chain Carriers; that we will  
 level the chain upon even and uneven ground, and  
 plumb the tally pins, either by sticking or dropping  
 the same; that we will report the true distance to  
 all notable objects, and the true lengths of all lines  
 that we assist in measuring, to the best of our skill  
 and ability, and in accordance with instructions  
 given us, in the survey of the Subdivisions  
of T. 19 N. R. 6 E. and T. 8 N. R. 1 W.

of the Gila and Salt River Base and Meridian in  
 the Territory of Arizona.

Marvin Gaudle Chainman.

E. B. Hamilton Chainman.

..... Chainman.

..... Chainman.

Subscribed and sworn before me, this 19<sup>th</sup>

day of December 1891900,

Carl R. Gaudle

Notary Public.

[SEAL.]

U. S. Deputy Surveyor

We, *R. C. Jones* & *James R. Hance*  
and *G. S. Purtyman*

do solemnly swear that we will well and truly per-  
form the duties of *examiner and*  
*flagman*

in the establishment of corners and other duties,  
according to instructions given us, and to the best  
of our skill and ability, in the survey of the.....  
*Subdivisions of T. 19 N. R. 6 E.*

Subdivision of T. 19 N. R. 6 E.

BOOK 314

Survey commenced December 19,  
1900, and executed with a W. & L. E.  
Gurley light mountain transit  
with solar attachment and Jones  
Patent Latitude arc.

For complete description and  
test of instrument, see Book A  
of this series.

As the only agricultural land  
in the township possible to be  
surveyed is located in secs.  
5, 6, 7, & 8, I begin at the cor. of  
secs. 7, 12, 13 & 18, on the N. Bdy.  
which I established Dec. 15, 1900,  
and at 8 h. a. m., local, I set off  
 $23^{\circ}21'S$  on the decl. arc;  $34^{\circ}59\frac{1}{2}'N$   
on the lat. arc; and determine  
true meridian with the solar

General Description.

21

BOOK 314

The land in secs. 5, 6, 7 & 8 is generally mountainous and covered with heavy Pine timber. A Park extends from the N.W. cor. of sec. 6, to the S.E. cor. and is from 20,000 chs to 10,000 chs wide. The soil in the Park is a rich black loam.

Charles S. Howard's house and other buildings are on the S.W.  $\frac{1}{4}$  of sec. 6; and Matt Blakely's house and buildings are on the S.E.  $\frac{1}{4}$  of sec. 6

Mr. Blakely and Mr. Howard each have about 25 acres in cultivation.

Carl R. Gaudin  
U.S. Deputy Surveyor.
